

# DEAFNESS CURED

By No Method Until "Actina"  
Was Discovered

Ninety-five per cent. of all cases of deafness brought to our attention is the result of chronic catarrh of the throat and middle ear. The inner ear cannot be reached by probing or spraying, hence the inability of aurists or physicians to cure. That there is a scientific cure for deafness and catarrh is demonstrated every day by the use of Actina. Actina also cures asthma, bronchitis, sore throat, weak lungs, colds and headache, all of which are directly or indirectly due to catarrh. We are receiving hundreds of letters like the following: F. W. Harwood, 188 Walnut St., Springfield, Mass., writes: "Actina cured me of deafness of six years' standing, after all other remedies had failed." Rev. W. H.

Moss, Joshue, Tex., writes: "Actina cured my wife of deafness of 40 years' standing; also improved her eyesight." E. E. Thomas, 2360 Bagless Ave., St. Anthony Park, St. Paul, Minn., writes: "Actina cured my father of catarrh and total deafness in one ear." J. E. Sligh, Fairhaven, Wash., writes: "Actina has improved my hearing and greatly benefited my eyes." N. J. Byrne, Honey Grove, Texas, writes: "Actina has done wonders for me; it cured me of catarrh and deafness; no signs of catarrh or deafness now."

## Actina is Sent on Trial, Postpaid
