Archbishop Bruchesi receives the Pallium.

Montheal, Aug. 8.—For the third time in its history the Church of Motro Dame this morning witnessed the conferring of the pallium or emblem of Archiepiscopal dignity upon an Archbislop, the two other coesions being when the late Cardinal Taschereau, of Quebec, and the late Archbishop Fabre, received the great dignity. This morning Archbishop Bruchesi was the recipient. The ceremony began shortly after ten o'clock and lasted until nearly one o'clock. Two hundred seats in the main body of the church were required by the clergy while every see, in the sanctuary was also taken up. There were over three hundred priests present. The officiating prelate was Mgr. Duhamel, Archbishop of Ottawa, who was specially designated in the papal buill. His Grace was assisted by Rev. Canon Beauchamp, of Ottawa, as assistant priest, and Rev. Abbe Charpentier and Rev. Abbe Therrien acted as deacon and sub-deacon. The two Archbishop of Montreal.

Among those present were Archbishop forzigan, of New York, Bishop Ladden, Syraeuse; Bishop Decelles, coadjutor of St. Hyacinthe; Bishop Ladden, Syraeuse; Bishop Chemer, of Yelleyfield and Bishop Hurth, of Dacoa, Zengal.

All the religious ord, rein in the diocese were represented, as well as all the dioceses in the province. The mitred abbet of Ota was present, as well as Vicar-General McCann and Rev. Dr. Treacy of the diocese of Toronto, and Ligr. Marcia, representing the Archbishop of Quebec.

At the sanctuary railings sat His Honor the Lueutenant-Governor, of Quebec, accompanied by Lieut-Ool. Labelle, A.D.O., and Madams Jette, Madams Bruches; mother of the Archbishop; Hon. F. G. Marchand, Fremier of Quebec; Mayor Prefon-MONTREAL, Aug. 8.—For the third me in its history the Church of

Labelle, A.D.C., and Madame Jetie, Madama Bruchesi, mother of the Archbishop; Hon. F. G. Marchand, Premier of Quebec; Mayor Prefontaine, Rev. Oanon Racicot, V.G.; and Vice reator of Laval, wearing their gowns. The sermon was preached by Rev. Abbe Leeocq, superior of the Seminary of Theology, who took for his text, St. Luke, chapter xxii., v., 26., "Be you not so; but he that is the greater among, you-let, him become as the younger, and he that is the leader as he that servesth." At the -conclusion of the Pontifical mass the ceremony of conferring the Pallium proper took place. The Archbishop of Ottawa placed the Pallium upon the shoulders of his brother. Archbishop, and Mgr. Bruchesi arose, and ascending to the high altar pronounced the benediction to the assembled multitude who received it kneeling.

The clergy retired to the gardens of the Seminary, adjoining the church, to partake of dinner offered by the gonilemen of the Seminary. There were four hundred covers laid under an arbour gaily decorated. His Grace resided, having the visiting prelates to his right and left.

The musical service in the church was especially fine, some two hundred voices taking part, under the leadership of Mr. MoMahon.

After dinner His Grace the Archbishop of Montreal thanked the American Bishops for their presence, as well as the American Bishops for their presence, as well as the American Bishops for their presence, as well as the American Bushops for their presence, as well as the American and Gandian they years in the Seminary under the leadership of the Grace of the Order of Sulpicians. church, and he therefore considered himself a child of Notre Dame. A number of oneodotes which he gave aroused great applaues.

Archibishop Corrigan, of New York, was received with great applause on rising to reply. He had accepted the invitation to attend the ceremony of conferring of the pallium because the archdiocese of Montreal was next geographically to the archdiocese of New York, and a sistor diocese; because all the old missionaries in the diocese of New York came from Canada, and lastly because the first time the sacrament of confirmation was administered in the diocese of Nov York in the work of the confirmation was administered in the diocese of Nov York, it was by the hand of Mgr. Pontbriand, whose jurisdiction then extended over Montreal. His Grace said befalt he voiced the sentiments of all in catelling the great work of St. Sulpice for the ducation of the clergy. The coremony of the morning had been exceedingly pleasing to him, in fact, none had so impressed him in his past life. He remembered having been present at the benediction of the statue of Notro Damode la Guadaloupe, at Mexico, with afgr. Begin and thirty-nine other bishops, but it had not impressed him more, great impression made upon him this day was due to the profound spirit of religion which has been impressed upon the clergy and laity of Montreal by the Order of St. Sulpice.

It was explained that Mgr. Begin, of Quebec, was ill in beu and unable to be present.

Bismarck on Home Rule.

Sir William Richmond's personal reminiscences of the late Prince Bismarck contributed to the Daily News are among the most interesting yet published. Sir William spent a week with the Prince painting his portrait, and he speaks entusiastically of Bismarck at home. But the chief interest of these recollections is Bismarck's observation on the Irish question. It was in 1897, and he said—"However much I might think it would have been nuwise to have done it, free his proposed, but now, after all the substantial proposed, but now, after all world with the substantial proposed, but now, after all world with the substantial proposed, but now, after all world with the substantial proposed, but now, after all the substantial proposed, but now, after all conditions of the proposed in the world have been under the world with the proposed in the substantial proposed in the proposed for the proposed in the proposed in
