

the Diocese of Halifax. We understand that the special intentions for which the Adorable Body of Jesus has been exposed for forty hours amongst us was, to obtain through the intercession of Him, our Only Mediator with God, the conversion of sinners in this city and diocese, the propagation of the True Faith amongst our dear brethren who are now outside the fold, and the promotion of peace, union, and charity, amongst all the faithful. All this we have asked our Heavenly Father to grant us, in the name and through the merits of his Beloved Son, and how can we despair of being heard, when we remember the consoling promise of the Son Himself: "If you ask the Father any thing, in my name, He will give it you?"
