LANGLEY'S ANTIBILIOUS APERIENT PILLS.

THE great popularity acquired by these Pills during the twelve years they have been offered for sale in this Province is a convincing proof of their value, as no undue means of increasing their sale have been resorted to by puffing advertisements—no certificate published concerning them.

These Pills are confidently recommended for Bilious complaints or morbid action of the Liver, Dyspepsia, Costiveness, Headache, want of Appetite, Giddiness, and the numerous symptoms indicative of derangement of the Digestive organs. Also, as a general Family Aperient. They do not contain Calomel or any mineral preparation, are effectual in their operation, yet so gentle that they may be taken at any time with perfect safety, by persons of both sexes; nor do they as do most other Pills, necessitate the constant use of Purgative medicines, the ingredients of which they are composed effectually obviating this common difficulty.

Sold in Boxes, Price 1s. WM. LANGLEY, Chemist & Druggist, Hollis St.

HEALTH OR SICKNESS? CHOOSE BETWEEN THEM.

HOLLOWAY'S PILLS.

THE blood furnishes the material of every bone, muscle, gland and fibre in the human frame. When pure, it secures health to every organ; when corrupt, it necessarily produces disease. HOLLOWAY'S PILLS operate directly upon the elements of the stream of life neutralizing the principle of disease, and thus radically curing the malady, whether located in the nerves, the stomach, the liver, the bowels, the muscles, the skin, the brain, or any other part of the system.

USED THROUGHOUT THE WORLD! HOLLOWAY'S PILLS are equally efficacious in complaints common to the whole human race, and in disorders peculiar to certain climates and localities.

ALARMING DISORDERS. Dyspepsia, and derangement of the liver, the source of infirmity and suffering, and the cause of innumerable deaths, yield to these curatives, in all cases, however aggravated, acting as a mild purgative, alterative and tonic; they relieve the bowels, purify the fluids, and invigorate the system and the constitution at the same time.

General Weakness—Nervous Complaints. When all stimulants fail, the renovating and bracing properties of these Pills give firmness to the shaking nerves and enfeebled muscles of the victim of general debility.

DELICATE FEMALES. All irregularities and ailments incident to the delicate and sensitive organs of the sex are removed or prevented by a few doses of these mild but infallible alternatives. No mother who regards her own or her children's health should fail to have them within her reach.

SCIENTIFIC ENDORSEMENTS. The London "Lancet" the London "Medical Review," and the most eminent of the faculty in Great Britain, France and Germany have eulogised the Pills and their inventor. Holloway's Pills are the best remedy known in the world for the following Diseases:

Asthma	Diarrhoea	Inflammation	Gravel
Bowel Complaints	Dropsy	Inward Weakness	Secondary Symptoms
Coughs	Debility	Liver Complaints	Veneral Affections
Cold	Fever & Ague	Lowness of Spirits	Worms of all kinds
