

Charles Bailey

The subject of our sketch was born in Toronto, Ont., in 1873. In 1885 he became interested in stamps and has continued as an active collector ever since.

He has recently disposed of his collection numbering over 2000 varieties, and is now specializing in unused stamps on the original cover of which his collection now numbers about 500 varieties.

Mr. Bailey is a charter member of the D. P. A., and Counterfeit Detector of the same society. He is also a member of the P. S. of A., L. of A. P., C. P. S., and S. P. A.

Mr. Bailey has always taken an active interest in anything to advance the cause of Philately and he is especially interested in the encouragement of young collectors.

Canada lost a faithful philatelist when Mr. Bailey moved to Kaukauna, Wis., where he now resides, being connected with the J. A. Bailey Plumbing and Heating Co., of that city.

At the urgent request of many of his friends he has decided to become a candidate for the office of U. S. Vice-President of the D. P. A., a position we feel sure he will fill to the entire satisfaction of all.
