WHOSOEVER.

The Scripture saith, **WHOSOEVER** believeth on him shall not be ashamed.

For there is **NO DIFFERENCE** between the Jew and the Greek: for the same Lord over all is rich unto all that call upon him.

For **WHOSOEVER** shall call upon the name of the Lord shall be saved.

—Rom. x. 11-13.

Editorial.

Our Parlors have been thoroughly renovated during the past ten days. Our members and visitors will admit that the clean and cheerful appearance now presented amply repays for the slight inconvenience experienced while the work was in progress. We are now prepared to receive the flowers and plants which we asked for in a former number of our **BULLETIN**. Please send your address that we may call for them.

The Laymen's Institute for christian workers opens at the Thousand Island Park on the 22nd. Rev. H. M. Parsons and others from Toronto will take part in the exercises. Our esteemed Brother Wilkie, who is now spending his vacation at the Park, will no doubt also take a place in this important gathering.

Mr. Moody has issued a circular calling a gathering of Christian workers at Northfield, (Mass.) for the 1st to 10th Sept. The gathering will be for prayer, study of God's word and for waiting upon God, for the "induement of power from on high." It is a most pleasing aspect of the times, that chris-

tians are thus drawn together in humble recognition of the grand truth, that without HIM "we can do nothing," that in all our labours for the Master, the success is not dependent upon us. That it is "not by might, nor by power, but by my Spirit, saith the Lord." A similar meeting to that called by Mr. Moody has just been held at Galt, Ont., when a number of christians from different parts of the Dominion met by invitation of that earnest worker, Miss Annie Macpherson.

The Annual Convention of the Y. M. C. A's. of the Provinces of Ontario and Quebec will (D. V.) assemble at Ingersoll on the 30th of September, to continue in session for three days. Every possible effort will be made by the brethren in Ingersoll, and by the Executive Committee to make this convention a time of spiritual profit. Associations will be urged to send strong deputations of *strong men*, whose hearts are in the work. It is also hoped that where no Associations exist the ministers may be led to take up this matter, and attend personally, or send an active layman to learn of the work, and its advantages. The Executive Committee hope to secure the presence of Mr. Moody, and also some prominent Association men from the United States. A thorough visitation of the Associations in the western part of the Province is also proposed, but the prosecution of this important work will depend much upon the responses received from those indebted to the Executive Committee.
