The Accident Policies of this Company, as presently placed before the public, are beloved by the management to be the most attractive in form, liberal in terms and compensating in character, issued on the Continent of America. They also combine with these satisfactory features, the additional element of perfect security

NEW FORMS.—Continued.
COUPON ENDOWMENT BOND, without any conditions, and with unequalled liberal Surrender Values attached from the moment of issue. Negotiable anywhere and at any time. Invaluable to business-men and young men beginning life. Profits Tontined. See Estimates.
TERM TONTINE POLICIES.—In 15, 20, 25 or 30 years, with wonderful results from the small investment expended. The cheapest form of Life Insurance to be had—as low as the offers of any Co-operative or Assessment Society, but with absolute safety and no assessments.
 The only Company in America granting Extra Indemnity for Disfigurement of the Body and without extra charge.
