A MONTHLY PAPER FOR NOTHING.

We are pleased to announce that we have completed arrangements by which we are enabled to offer **free** to each of our subscribers a years subscription to CANADA, the well known Monthly Journal for Canadians, young and old; at home and abroad. We make this offer to each of our subscribers who will pay up all arrearages and for one year in advance, and to all new subscribers paying for one year in advance. Canada begins a new series with the number for November, 1892, and while preserving the features which have won wide recognition for it already, will add new ones which will render it still more emphatically the favorite Canadian monthly paper. It is pure, intensely patriotic, attractive in make-up, and remarkably varied in contents. Many leading Canadian writers are among its contributors, and departments of **Canada**, **Home Topics**, etc., are edited by capable hands. The regular subscription price of Canada is Fifty Cents a year, by this arrangement it will **cost you nothing** to receive this splendid Canadian monthly paper for one year. Do not put it off, but send your subscription to-day. Sample copies of Canada can be seen at this office, or can be obtained from the Publisher, Hampton, New Brunswick.
