"Perfection" Buttonless Football

This cut shows the design of the Perfection Buttonless Football as it is registered in Great Britain, and represents to the fullest degree perfection in shape, perfection in workmanship, perfection in the material used in its manufacture, and perfection in finish, and having the fewest seams, it is undoubtedly the best wearing ball in the market.

We have been importing these balls direct from Scotland for the past twelve years, till now our trade extends from one end of the Dominion to the other, and although, owing to the advance in leather and rubber in the Old Country, we have been compelled to slightly increase our prices, we are confident that we are giving the best possible value for the money.
