### GLOBES

#### Wooden Standards.

We have, after examining a large number of different maker's Globes, decided to use the maps of two makers in covering our globes. One the renowned Keith-Johnston maps, the other, though not of such a world wide reputation, yet considered by many as fully equal for all purposes, known as the Cheney Globe cover.

On the Cheney maps the parts representing water are white, those parts representing the land are in bright colors, thus showing the outlines, names and boundaries distinctly. The print is clear and full, and corrected to 1891.

The Johnston covers are printed for us by W. & A. K. Johnston, Edinburgh, Scotland. These covers are entirely new, exhibiting the most recent geographical discoveries and political changes. The Isothermal Lines for January and July, also the Ocean Currents are clearly shown.

The globes covered with the Cheney maps are generally preferred for school use, as the boundaries are more distinct, while those covered with Johnston maps are preferred for reference globes in offices and homes.

With the exception of the 18 inch globes the prices given are for globes with Cheney maps. For globes with Johnston covers add \$1.50 for 12 inch globes, \$1 for 8 inch, and 50c. for 6 inch globes, to the prices given.

#### GLOBE MANUAL.

How to use globes. Fifty pages. By the use of this little volume a globe becomes more than an ornament in a house or school. It opens up a world of knowledge and furnishes a variety of problems for pleasant and profitable mental exercise. Price, post paid, 50 cents. A copy sent free with every globe purchased.

#### THEY EXCEL IN

We are receiving every day large numbers of requests for our catalogue of Educational Supplies, which, we regret to say we cannot comply with, as the entire edition of the catalogue has been exhausted. The demand for the copies has been very much larger than we expected, showing how thoroughly this, our second catalogue, has been appreciated. Next season we shall issue double the number, but as this will not appear until September 1st, we shall in the meantime give all information possible in the advertising columns of THE JOURNAL.

Write us for our special rates on all goods to subscribers to THE EDUCATIONAL JOURNAL.
