

Excelsior Webster Pocket Speller and Definer of the English Language,

containing over 25,000 words. This work gives the correct orthography and definition of all the words in common use. The illustration gives a fair idea of the shape of the work being especially made to fit the pocket and bound in a style which makes it durable and elegant. This Speller and definer is not reprint, but has been carefully prepared by competent hands to meet the general want for a book of this kind, and for the space it occupies has no superior in the publishing world; containing 820 pages, double column, it weighs 2 1/4 ounces, size 5 x 2 1/4 inches, bound in elegant American Russia Leather and indexed. **50 Cts.**
