

On the move

Liver, Stomach, and Bowels, after Dr. Pierce's Pleasant Pellets have done their work. It's a healthy movement, too—a natural one. The organs are not forced into activity one day, to sink back into a worse state the next. They're cleansed and regulated—mildly and quietly, without wrenching or griping. One tiny, sugar-coated Pellet is all that's needed as a gentle laxative; three to four act as a cathartic. They're the smallest, cheapest, the easiest to take. Sick Headache, Bilious Headache, Constipation, Indigestion, Bilious Attacks, and all derangements of the Liver, Stomach and Bowels are promptly relieved and cured.

Dr. DANELSON'S COUNSELOR WITH RECIPES. A TRUSTY GUIDE FOR THE FAMILY. An illustrated book of nearly 800 pages, treating Physiology, Hygiene, Marriage, Medical Practice, etc. Describing all known diseases and ailments, and giving plain prescriptions for their cure, with proper directions for home treatment. The RECIPES are endorsed by eminent physicians and the medical press. Remedies are always given in a pleasant form, and the reasons for their use. It describes the best Washes, Liniments, Salves, Plasters, Infusions, Pills, Injections, Sprays, Syrups, Tonics, etc. These are valuable to the physician and nurse, making it a manual for reference. The chapter upon POISONS is exhaustive, and every poison appears in the index, so that the antidote can be readily and, if need be, hurriedly found. 18 pages upon MARRIAGE treat the subject historically, philosophically and physiologically. It should be read by everybody. 67 pages upon HYGIENE, or the Preservation of Health; a chapter of inestimable value. "Everybody wishes to be healthy, and everybody, when they think of it at any rate, wishes to avoid such things as might bring disease and suffering." 80 pages are devoted to PHYSIOLOGY, giving an accurate and extensive description of the wonderful and mysterious working of the machinery within ourselves, correcting many popular errors, and marking vividly the stumbling blocks where most people, innocently or carelessly, begin to lose health. Truths are stated which so many will be surprised.
