2. That, notwithstanding the provisions of rule 43 of the provisional rules of procedure, the scale of assessments for the apportionment of expenses of the United Nations shall be reviewed by the Committee on Contributions in 1947 and a report submitted for the consideration of the General Assembly at the session to be held in September 1947.

3. That as it may be more convenient for the United Nations to adopt a unit basis of assessment in lieu of the percentage basis, the Committee on Contributions is directed to give consideration to the relative merits of each method.

4. That new Members be required to contribute to the annual budget of the year in which they are first admitted, at least 33 $\frac{1}{3}$ per cent of their percentage of assessment determined for the following year, applied to the budget for the year of their admission.

5. That, having regard to the admission of the three new Members in 1946, the advances to the Working Capital Fund be readjusted on the basis of the scale to be adopted for the contributions of Members to the annual budget for 1947.
