

2. Subject to the provisions of paragraph (3), where an enterprise of one of the Contracting States carries on business in the other Contracting State through a permanent establishment situated therein, there shall in each Contracting State be attributed to that permanent establishment the profits which it might be expected to make if it were a distinct and separate enterprise engaged in the same or similar activities under the same or similar conditions and dealing wholly independently with the enterprise of which it is a permanent establishment or with other enterprises with which it deals.

3. In the determination of the profits of a permanent establishment, there shall be allowed as deductions expenses of the enterprise, being expenses which are incurred for the purposes of the permanent establishment (including executive and general administrative expenses so incurred) and which would be deductible if the permanent establishment were an independent entity which paid those expenses, whether incurred in the Contracting State in which the permanent establishment is situated or elsewhere.

4. No profits shall be attributed to a permanent establishment by reason of the mere purchase by that permanent establishment of goods or merchandise for the enterprise.

5. If the information available to the competent authority of a Contracting State is inadequate to determine the profits to be attributed to the permanent establishment of an enterprise, nothing in this Article shall affect the application of any law of that State relating to the determination of the tax liability of a person provided that that law shall be applied, so far as the information available to the competent authority permits, in accordance with the principles of this Article.

6. For the purposes of this Article, except as provided in the Articles referred to in this paragraph, the profits of an enterprise do not include items of income dealt with in Articles 6, 8, 10, 11, 12, 13, 14, 16 and 17 and paragraphs (3) and (4) of Article 21.

7. Nothing in this article shall affect the operation of any law of a Contracting State relating specifically to taxation of any person who carries on a business of any form of insurance, provided that if the law in force in either Contracting State at the date of signature of this Convention is varied (otherwise than in minor respects so as not to affect its general character) the Contracting States shall consult with each other with a view to agreeing to any amendment of this paragraph that may be appropriate.
