

and examples of the work of Canada's contemporary painters. The Department of External Affairs will exhibit a large and varied collection of Canadian handicrafts.

A selection of paintings by Canadian children on the theme "A World of Friendship" will be included in an international exhibit of children's paintings which will later tour interested countries affiliated with the International Olympic Committee. The National Film Board will screen a new film on youth activities as part of an international Olympic film festival, and a special collection of Canadian stamps will be included in a large philatelic exhibition devoted to postage stamps issued by member countries commemorating sporting events and in particular the Olympic Games.

Participation by Canada in several of the other cultural events at the Mexico Olympics is currently under consideration.
