

April 14, 1931.

Dr. J.A.L.Waddell,
Messrs. Waddell & Hardesty,
Consulting Engineers,
150 Broadway,
New York, N.Y.

Dear Sir,

Sir Arthur Currie is on his way to
Canada at present, after an absence of some months
in the Orient, but I am sure he will be glad to
comply with your request and shall place your letter
for his early attention upon his return to the
University.

Yours very truly,

CWS
