Montreal.

Dear Sir:-

Mr. E. W. Beatty has forwarded me
your letter relative to an ornithological collection
belonging to Mr. Anderson of Chaudiere Basin.

This collection seems a valuable one
but at the present time we have no room to house it
in our Museum and I would respectfully suggest that
the Provincial authorities be approached. Some time
ago you may remember it was announced in the Press
that the Provincial Government had assigned funds for
a museum in Montreal.

Yours faithfully,

Principal.
