

GRAMINEÆ.—(*Continued.*)

|                                            |          |
|--------------------------------------------|----------|
| <i>Oryzopsis asperifolia</i> , Michx.....  | May 16.  |
| <i>Alopecurus aristulatus</i> , Michx..... | June 15. |
| <i>Glyceria nervata</i> , Trin.....        | June 22. |
| “ <i>fluitans</i> , R. Br.....             | do       |
| “ <i>aquatica</i> , Smith.....             | July 7.  |
| “ <i>Canadensis</i> , Trin.....            | July 21. |
| <i>Agrostis alba</i> , L.....              | July 7.  |
| “ <i>scabra</i> , Willd.....               | July 31. |
| <i>Phleum pratense</i> , L.....            | July 14. |
| <i>Phalaris arundinacea</i> , L.....       | do       |
| “ <i>Canariensis</i> , L.....              | July 21. |
| <i>Panicum dichotomum</i> , L.....         | do       |
| “ <i>crus-galli</i> , L.....               | do       |
| <i>Brachelytrum aristatum</i> , Beauv..... | July 28. |
| <i>Bromus secalinus</i> , L.....           | do       |
| <i>Setaria glauca</i> , Beauv.....         | do       |
| <i>Spartina cynosuroides</i> , Willd.....  | July 31. |
| <i>Sporobolus heterolepis</i> , Gray..     | do       |

NOTE.—The following plants, not included in the foregoing list, were collected in the summer of 1867 in the same locality :

## CRUCIFERÆ.

|                                     |      |
|-------------------------------------|------|
| <i>Cardamine pratensis</i> , L..... | May. |
|-------------------------------------|------|

## COMPOSITÆ.

|                               |         |
|-------------------------------|---------|
| <i>Bidens cernua</i> , L..... | August. |
|-------------------------------|---------|

## ERICACEÆ.

|                                         |        |
|-----------------------------------------|--------|
| <i>Kalmia glauca</i> , Ait.....         | June.  |
| <i>Moneses uniflora</i> , Salisb.....   | August |
| <i>Chimaphila umbellata</i> , Nutt..... | July.  |

## AQUIFOLIACEÆ.

|                                      |       |
|--------------------------------------|-------|
| <i>Ilex verticillata</i> , Gray..... | June. |
|--------------------------------------|-------|

## ORCHIDACEÆ.

|                                         |    |
|-----------------------------------------|----|
| <i>Platanthera Hookeri</i> , Lindl..... | do |
|-----------------------------------------|----|
