Athletic Activities

At West End Y.M.C.A.

The senior harriers have started their indoor and outdoor handicap events; these will be run off every Saturday afternoon. If the weather is fine the run will be taken out of doors, and if not the splendid track will be used. A number of new runners are in sight, and if they improve as they have done West End will be as strong as ever in the distance run. The event for Saturday afternoon will be the one-mile run.

—Swimming—
Everything is ready for the coming exhibition of swimming and life saving by a number of Geo. H. Coran's lady pupils. There has been such a demand for the public for the use of the tank on the exhibition, as at Broadview, that he made a request to the West End, where he is teaching, for the use of the tank. This was granted, so on Saturday night all those who could not see the swimmers at Broadview will now have a chance.

—Circus—
The annual West End Y circus will be held on April 2, 3 and 4 in the large gymnasium. It is expected that this year will far outdo all others. Extra seating accommodation has been made.

—Wrestling—
This game is certainly keeping the wrestling mat busy. There are a num-

ber of the best men in great shape for the city championships at Central.
