The following is an extract from a letter received from His Excellency the Governor General of Canada:

"It is in such Associations as yours are founded these principles of mutual help and support which bind communities together.  
"They also teach the importance of laying by during the years of youth, health and energy, a provision for old age or poverty, and to those left behind in distress, and thus impart provident habits amongst a large section of your fellow-subjects. Your Association has, therefore, my earnest wishes for its welfare, and I trust its branches will continue to spread in all parts of the Dominion."

HIRAM J. DUGLOS, Secretary and Treasurer. JOHN HOPPER, Gen. Agent.  
We solicit all persons intending to secure protection on their lives for those dependent on them, or to provide against sickness, infirmities, &c., in old age, either to call and examine the plans of our new classes, or write for our circular. After receiving all necessary information (which we shall always be most happy to give) they will not fail to find them so equitable, safe, cheap, and on such easy terms, as to convince them of being greatly to their advantage to join a members.

The best possible proofs of the popularity of the features of our new classes are, first, the number of members increases at such a rate that within a few months more we shall be the largest Mutual Association in Canada; secondly, the large majority of our members are composed of the leading and most intelligent class of citizens in the Cities and Towns of Quebec and Ontario.

We especially solicit an examination of "Our Provident Class," which provide, for old age. This form of protection on the mutual system is new on this continent, and its features are so well adapted to the ideas of the present age that no plan ever proved so popular.
