By resolution passed by the Board of Directors of the Silver Bird Cobalt Mines, Limited, shares will positively be advanced to 25 cents per share after March 25th. Intending purchasers should act quickly.

Have you bought any Silver Bird? If not you had better buy it now. If you have some, buy more before the advance.

You must buy now if you want it at the first issue price. It will be 25 cents per share after Monday, March 25th. It will be advanced to 50 cents per share within 60 days, and before long everybody will want to buy at one dollar per share and won't be able to get it. Take our advice and buy now.

We are in a position to judge. We know what we are talking about. This advance to 25 cents per share is a legitimate, meritorious advance, brought about by recent developments highly favorable to the Silver Bird Mine.

If you have any Silver Bird shares held on to them. Don't be induced to part with them. Buy more if you can. Hold them and reap the great prefits that are coming to all holders of Silver Bird shares.

Orders sent either by mail or telegraph on Monday. March 25th, or received by
