

T. EATON CO. CANADA'S GREATEST STORE

Making Things Hum for Monday!

Monday will be the first day of May, and we are going to introduce the month's business with some of the most attractive offerings of the season—offerings of money-saving interest to you. It will be a day when your dollars will nearly double their ordinary purchasing power at this store and when many useful and seasonable needs for home and personal use will be offered for less money than it will take us to replace the goods when sold out. This list tells the story in detail:

Ladies' Stylish Capes Reduced.

It's not usual to make such reductions as these so early in the season. But we prefer having the money instead of the Capes and will pay liberally to make the exchange. This is how we do it on Monday:
