A Future That is Certain.

The Manufacturers Life has arrived at that stage where its future is assured. In the case of a life insurance company, as in that of a successful bank, business comes after a certain period with less and less effort, as the public appreciate the tremendous advantage offered by security and strength. The Manufacturers position is such that it will in future have the. advantage of this element to success, and go on its way strengthening yearly its own position and that of its We have an automatic non - forfeiture policy that you may be interested in. It guarantees the holder against lapses, and guaranteed loans and paid-up values are written in every policy. A post card with your name and address will bring full particulars.

Robert Jaffray a Defendant. Miss Emily Brunt, a nurse, is suing Charles Bugg and Robert Jaffray for unstated damages for injuries received in failing from an alleged defective verandah at the rear of 905 Yonge-street, which the defendants own.

POLICE COURT RECORD,

Robert Platt and Joseph Bauldry, the two young men charged with stealing jeweiry from the factory of A. H. Dewdney & Bro.,

guilty and were remanded till to-morrow for sentence.
Stephen Nagle, a vagrant, was given three months in the Central Prison.
James McGufre, who went into the home of George Wright at 65 Ontario-street, and, after putting Wright into the cellar, committed an assault on Mrs. Wright, was sent to the Central Prison for 18 mouths, Patrick and Michael O'Connor were charged with being disorderly. Patrick was fined \$10 and costs and Michael was let go.

was fined and and established by the go.

Robert G. Liddell was sent to jail for 90 days for non-support of his wife, Catharine.
Bernard Dillon and William Morrison pleaded guilty to being disorderly. Dillon was fined \$5 and costs or 30 days, and Morrison \$8, without costs, or 30 days.

Hotelkeepers in Court. Five East Toronto hotelkeepers were yes-terday afternoon charged before John Rich-nrdson, J.P., with selling liquor after hours. James Haverson appeared for the defence, and secured an adjournment till Monday

FOUR YEARS AT MIMICO

Was the Sentence on Arthur Mc-Intyre, Who Was Found Guilty of Manslaughter.

Four years in the Mimico Industrial School was the sentence imposed yesterday morning by Judge Street on Arthur Mc-Intyre, the boy who was on Tuesday found Intyre, the boy who was on Tuesday found guilty of killing his father. Before pronouncing sentence, the judge addressed the boy briefly. He told him he had done a very wicked thing in stealing his father s revolver, and an even more wicked thing in trying to seare his father. For what he had done he would be placed under restraint and supervision, where he would not associate with criminals, and would not be allowed to read dime novels.

The Ascension-tide service at the Church of the Epiphany, Beaty-avenue, Parkdale, will this year be combined with a service of praise, in which the choir will be assisted by several of their musical friends, and will be held in the church to-morrow evening, at 8 o'clock. An interesting address will be given on "Impressions of Westminster Abbey," by Rev. Prof. Cody, rector of St. Paul's Church. The order of service includes several musical numbers, in addition to those occurring in the course of the evening service, amongst others a vocal selection by Norman Fraser, boy soloist of St. George's Church, whose singing has recently attracted considerable attention.

The Demon Dyspepsia—In olden times it was a popular belief that demons moved invisibly through the ambient air seeking to enter into men and trouble them. At the present day the demon, dyspepsia, is at large in the same way, seeking habitation in those who by careless or unwise living invite him. And once he enters a man it is difficult to dislorge nim. He that finds himself so disposed should know that a valiant friend to do battle for him with the unseen foe is Parmelee's Vegetable Pills, which are ever ready for the trial.

Committed on Manslaughter Charge Ailsa Craig, Ont., May 23.—The prelimin-ary trial of Victor B. Hall, vitalist of Phila delphia, for causing death of Christing E. B. Smith of Alisa Craig. Twelve wit nesses were examined, the result being that Hall was committed to stand his tria for manslaughter at the London Assizes. the Canada Atlantic Transit Company, was launched. A large number were present to see the boat plunge into the water, and it was most successfully done. It was just and, as the boat gilded into her new berth Miss Amy Marjorie Angstrom, the five year-old daughter of Mr. A. Angstrom, man ager of the Bertram Co., broke the bottle

ager of the Bertram Co., broke the bottle of wine, which gave the steamer her name. The immediate work of the launch was in charge of the company's foreman carpenter and joiner, Mr. John Whelan.

The Ottawa is 257 feet long over all, 43 feet beam, 25 feet 6 inches deep, and will carry over 70,000 bushels of wheat on the canal draught of 14 feet. She is the largest boat ever built by the Bertram Co. She will run between Parry Sound and the upper lake ports. Among those who attended the launch were Messrs, John Bertram, head of the Bertram Co., W. A. Murray, W. H. Moore and A. Angstrom, directors of the company; Alexander Birnle, captain of the Ottawa, and a number of the officers of the R. and O. Line and Niagara Navigation R. and O. Line and Niagara Navigation

The Theano was purchased by Mr. Clerg and will be used in carrying ore from N Ontario mines to Sault Ste. Marie. cleared last night for the latter port.

Navigation Notes. The Macassa arrived at the new R. and o, wharf for the first time yesterday, where she took on a large number of passengers for the Ambitious City. The office of the Hamilton Steamboat Company is now on the new wharf, and will be in charge of Mr. Edwin Callaghan.
The steamer A. J. Tymon will make he

ciuding new stairways to the decks and more accommodation made for freight. The officers of the steamer this year will be: Captain, James McSherry; engineer, John Urquhart; mate, J. Grace. The A. J. Tymon will also make Saturday night trips to Lewiston during the summer. Lewiston during the summer.

The Modjeska arrived in the harbor from

Hamilton last night, it being her first tr to Toronto this season. She will be charge of Captain Crawford. The Lakeside will carry a contingent make additional trips to-day to the various 40 members of the Boys' Brigade to resorts in order to carry the large crowds Catharines to-day.

The steamer Chicora of the Nigara Line ronto and New York via C.P.R. and New York Central.

Legislature could enact factory regulations restricting hours of labor, so it had the power to extend the principles to govern every seventh day. He reviewed Sabbath Day legislation for the last 300 years, quoting also many cases upon the point from a pile of law reports, which made the court look like a library.

Two writs were issued yesterday against John B. Ramsay, a farmer, living near Aurora. One, on behalf of his wife, in which seaks for alimony at the rate of \$200 a month.

The other was issued by James Gamble of the same locality, in which he asks for \$200 as compensation for necessaries supplied to Mrs. Ramsay, and support extended to her.

Last month Mrs. Florence Thompson of 3

from axie to hub. The pressure on the E. & D. four-point bearings is divided in each bearing between two points, while in ordinary bearings it all comes on one point. In the E. & D. four-point bearing, as compared with the best bearing of any other type, the pressure is just half. Just half the pressure, Just half the wear. E. & D. National locally-guaranteed four-point wheels, \$60. E. & D. specials, \$70. Ladies' and Men's models. 34 King St. West, 3 Queen St. East.

The National Cycle ! Automobile Co Limited The Gear

The National Cycle Chilomobile Co Limited

Just Half

In E. & D. four-point bearings the load cannot give itself any leverage, as the bearings only carry the load in a direct line from axle to hub.

the Wear

Is Inside The Sterling Chainless models have the gear wheel between the crank axle bearings. The result is that there is no undue went on the right bearing of the crank-obet. wear on the right bearing of the shaft,

The bracket may be made much lighter, because there is no side twist, as the gear is near the centre, not at the extreme end of the bracket.

Every ounce applied to the pedals reach-Every ounce applied to the pedals reaches the rear rim, as there is no "give" to the Sterling frame with the inside gear. Let us show it.

34 King-Street West.

The National Cycle : Unionobile Co Limited

It Runs Without Sound

You can ride the Monarch Chainless without feeling any pedal-vibration from the gears. The gears may be separated or drawn closer-together with the greatest ease. All the Monarch adjustments are drawn closer together with the greater ease. All the Monarch adjustments are made from the outside of the wheel.

The gear teeth are so scientifically cut that they run without sound. They are hardened, and will not wear out quickly. The Monarch Chainless is perfect.

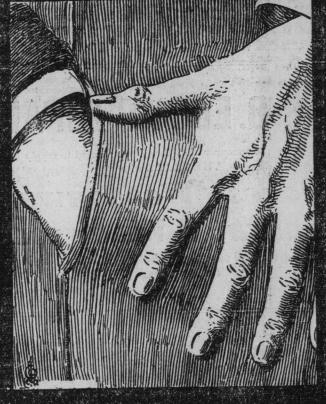

34 King Street West,

Worth While

The Halional Cocle Opiniobile to Limited

The XX. Century Blcycle contains the sest possible construction obtainable in a wheel,
The price of \$45 is the lowest possible price at which such a wheel as the XX. Century may be sold.
The frame construction consists of reinforced flush joints, finished in maroon, with all parts nickelled.
The local guarantee goes with the wheel. No better proof of its high-grade could be found. Look at it. It is "worth while,"

34 King Street West.

"Ordinary" guarantees hit your pocket. The local guarantee

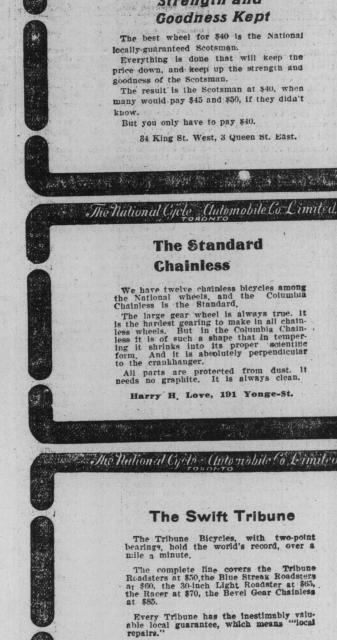

The "Ordinary" guarantee costs you more in express charges and time than the actual repairs would cost you in money paid to a local repair man. The National "local guarantee" means repairs done for you

by the nearest National local repair agent, at once, without the payment of any express or transportation charges on your wheel. Any of these wheels has the "local guarantee."

They are worth twice as much because of the privilege. And they are good.

Get a wheel with a real tangible doesn't-cost-you-more-than-

Every Tribune has the inestimably valuable local guarantee, which means "local repairs." Halinged Cycle Gulomobile Co Limit of "Pennants" The Pennant wheels are sold at \$35 and \$40. They are locally guaranteed. They have ball-retainers in all parts, flush joints, one-plece cranks, detachable sprockets, and the high-grade construction found in good
