Boils and Pimples

Are caused entirely by the blood being in an impure condition, and the quickest and simplest way to get rid of them is to take s few bottles of Burdock Blood Bitters.

This purely vegetable remedy has cured thousands of cases of these painful and unsightly troubles during the past thirty years.

Mr. S. J. Weir, River-Mr. S. J. Weir, Riverview, Ont., writes:

"Last summer I had ninsteen bols on my need and back was neck and back. I was off work for over two weeks. I took every-thing I could think of but to no effect. I got a bottle of Burdock Blood Bitters and before I had used half the bottle the boils were gone. I took the rest of it, however,

Mrs. W. J. Crandon, St. Mary's, Ont., writes: — "I was troubled with pimples on my face for a couple of years and tried a good deal of patent medicine, but they were not of much use. Finally I used four bottles of Burdock Blood Bitters and am now entirely cured."

and I have not had a boil since."
