THE HORSE SHOW TO-DAY.

Formal Opening Will Take Place This Afternoon, When All the Fashionable People of the City Will be Present.

Everything is in readiness for the Canadian Horse Show, which begins this morning at 10.30, and continues for three days, ending on Saturday evening with three performances daily, at 10.30 a.m., 2 p.m. and 8 p.m. The program has been so well arranged that every performance is equally good, and in some cases the afternoon events are more interesting than those in the evening.

The formal opening of the show takes place this afternoon at 2 o'clock. The official party, which will include Hon. A. S. Hardy, Premier of Ontario, and Mrs. Hardy, Sir Casimir and Lady Gzowski, Miss Kirkpatrick and the officers of the Show Committee, will proceed to the centre of the ring, where a short address will be read to the Premier by the secretary, Mr. Stewart Houston, and presented by the chairman, Mr. Robert Davies. The Premier in reply will declare the show open, the trumpeters of the Body Guard will sound a salute, the band will play "God Save the Queen," and the first harness class will file into the ring.

The address will be printed in satin, and bound up in satin with the official program. Some of the attractive features for this afternoon are: The ladies' ride, which will be seen by the public for the first time; the heavyweight green hunters will go over the jumps, and the best driving by gentlemen will arouse considerable interest. The afternoon will be noticeable for its fashionability.

The Seguin Went Hard On.

Buffalo, April 28.—The Canadian steel steamer Seguin, lumber-laden, went down the river at daylight this morning in charge of a local pilot. The channel buoys are not yet in place, and at Germania Park, near where the dredges have been at work, the Seguin struck hard. It has rock bottom at this point, and the vessel may be seriously injured. The tug Fabian and a lighter went to her assistance, but at noon she had not been released. The Seguin has about 1,000,000 feet of lumber from Parry Sound, consigned to Donough & Oliver of Tonawanda. She is owned by Miller of Toronto.

A Turkish Outrage.

London, April 28.—The Secretary of State for the Colonies, Mr. Joseph Chamberlain, has received a despatch from the Island of Cyprus, announcing that an explosion has occurred in a church at Famagusta. Thirty persons were injured. It is believed the explosion was the result of a Turkish outrage. Several men have been arrested on suspicion of being connected with the affair.

Dyspepsia or Indigestion is occasioned by the want of action in the biliary ducts, loss of vitality in the stomach to secrete the gastric juices, without which digestion cannot go on; also, being the principal cause of headache. Parmalee's Vegetable Pills, taken before going to bed for a while, never fail to give relief, and effect a cure. Mr. F. W. Ashdown, Ashdown, Ont., writes: "Parmalee's Pills are taking the lead against ten other makes which I have in stock." ed

Business Embarrassments.

John Muldrew & Co., wholesale woolens, this city, who offered 75c on the dollar to creditors in October last, have failed to meet their obligations, and now they have arranged with creditors to accept 50c on the dollar. Liabilities about $50,000.

Dyer & Co., confectioners, North Bay, have assigned to A. G. Browning.

Liquidator E. R. C. Clarkson has declared a final dividend of 3½c, making a total of 23½c in the estate of the Ontario Forge & Bolt Company. Mr. Clarkson has also put through a composition offer of McKenzie & Petch, dry goods, Watford, whereby the creditors will receive 35c on the dollar.

Dyspepsia and Indigestion—C. W. Snow & Co., Syracuse, N.Y., write: "Please send us ten gross of Pills. We are selling more of Parmalee's Pills than any other pill we keep. They have a great reputation for the cure of Dyspepsia and Liver Complaint." Mr. Charles A. Smith, Lindsay, writes: "Parmalee's Pills are an excellent medicine. My sister has been troubled with severe headache, but these pills have cured her." ed

TIPS FROM WALL STREET.

The market closed steady.

It is said that Burlington will show a net increase for March of $5000.

The net earnings of St. Paul for March show a decrease of $104,426.

Eastbound shipments from Chicago last week aggregated 52,655 tons, against 56,976 the week previous and 61,899 the same week last year.

The most active stocks to-day were: Sugar 26,500 shares, St. Paul 9900, W. U. 11,800, J. C. 3900, Reading 3100, L. & N. 2400, Tobacco 1500, Burlington 14,200, Chicago Gas 13,400, T. C. I. 1700.

McIntyre & Wardwell (John J. Dixon) received the following despatch to-day from New York:

There was a quick break in Jersey Central this afternoon, which of course was attributed to the bears. The general market was heavy and lower. Western Union sold under 78, and closed offered at that. There is evident inside liquidation in this stock, and its market plainly points to a reduction in the dividend rate at the next quarter. Sugar was bought up, and it closed at an advance which had a steadying influence on the list in general in the final trading, but there was no enthusiasm. There was very little news this afternoon. Exchange is lower at $4.87½ on offerings of gold bills. Atchison for the month of March has a gain of $268,000 in gross earnings, and a nominal increase in net. Big Four for the third week in April exhibits a decrease of $7000 gross. From the evening papers it appears the Turks are likely to advance on Athens.

CHICAGO GOSSIP.

Henry A. King & Co., 12 King-street east, received the following despatch to-day from Chicago:

There was a disastrous setback in the speculative grain markets to-day. The enthusiasm of the bulls disappeared. Wheat was not bulled on war news recently, and yet when the despatches foreshadowed an end of the fight the props were quickly swept from under the market. Again Chicago had to follow the lead of English markets. Liverpool, Berlin and Paris were lower. Such were the foreign features to dishearten holders here and cause the break in prices. The Russian shipments were reported as 1,872,000 bushels. All the big commission houses had wheat to sell. The smaller brokers were selling out for their own account or for customers. It was the belief that Kauffman of St. Louis was selling a big line to the Chicago crowd, helped along the break. Yet the break surprised everybody in the pit. There was more break than there was explanation. Crop reports were conflicting. Minneapolis reported seeding general in spring wheat states. The review of winter wheat conditions for the past week or ten days was anything but flattering. No doubt the questionable crop situation checked the decline. The trade appeared to have a lot of bids from all quarters for cash wheat on reports of rain in California. The failure to get important cash sales on the break, the fine weather and the willingness of the bulls to get out and stay out, caused a second letting down of prices in the last hour.

Corn and Oats—Ruled steady to firm all session, in spite of the weakness in wheat, and closed a shade firmer than the opening prices. The trade was not very large, and mainly of a local character. Commission people were the best buyers. Receipts were small, corn 74 cars and oats 147 cars.

Provisions—The speculative market for hog products opened lower this morning on a larger run of hogs than expected, 30,000, with a like amount estimated for to-morrow. The range was small. Packers and professionals sold moderately. The buying was of a scattered description. The close was easy.

McIntyre & Wardwell (John J. Dixon) send the following despatch to their branch office in Toronto:

Wheat—Weaker cables, continued fine weather throughout the West and reported improvement in condition of the growing wheat in Indiana and Illinois were features of weakness to-day. Liquidation by outside holders was quite extensive and as short interest was apparently very small, the market ruled very weak towards the end of the session, breaking 2 cents in very short order. St. Louis houses were conspicuous on the selling side, and they were responsible by their heavy selling for most of the weakness. Local holders also unloaded their moderate lines. Weather in the Northwest reported as being very favorable and seeding operations progressing rapidly. The demand at the seaboard was poor, in spite of the good decline, there being only ten loads reported taken by exporters. The situation legitimately has not changed to any appreciable extent, but from a speculative standpoint the market looks weak, with a probable further decline in order.

Provisions—Opened weak and lower on 4000 hogs more than expected and large receipts at Western points. Market rallied on buying of May and July pork and July ribs by John Cudahy's brokers. Later prices were a shade easier with a decline in wheat. Raymond sold July ribs and bought May lard. Considerable changing of May stuff to July and September was done by commission houses. Market closed easy at near lowest prices of the day.
