Any person having paid a yearly contribution of at least five dollars, becomes an ordinary member of the corporation and continues to be so as long as he pays such annual contribution. He has the right to attend, take part in the deliberations, and vote for the election of Governors at the annual general meeting of all the members of the corporation, which takes place on the first Wednesday of July.

Any person having paid the sum of one hundred dollars becomes a *Life Governor* as long as he pays a yearly contribution of ten dollars.

The *Life Governors* are *ipso facto*, members of the Board of Governors.

The *Elected Governors* are appointed at the general yearly meeting of the corporation. In no case can their number exceed twelve.

In order to be eligible as a Governor, one must have paid a sum of at least twenty-five dollars and must pay a yearly contribution of at least five dollars. The *Elected Governors* have the same rights and privileges as the *Life Governors*.

* *

The *Board of Governors* is composed of all the *Life Governors*, and of not more than twelve *Elected Governors*.

The Board transacts the general business of the corporation and meets at least four times a year, on the last Wednesday of March, June, September and December.

The Officers of the Board of Governors are a President, two Vice-Presidents and a Secretary.

The Board of Governors must report at the annual general meeting of the corporation, on the state of general business, in accordance with a statement made by the Board of Management.

The *Medical Board* meets once a month, its officers being a President and a Secretary. This Board has the absolute control over the whole medical department of the Hospital. It watches over the sanitary arrangements, suggests the purchasing of surgical instruments, appoints the attending physicians, the house surgeons and assistants, and the physicians in charge of the out-door departments. It determines the hours for the attendance of physicians, the admission of patients and the consultation at the out-door departments.

The *Medical Board* makes regulations for the diet of patients and the behaviour of the medical students and nurses; it has
