DR. J. D. KELLOGG'S EYE WATER

For the Cure of all Diseases of the Eye, such as Inflammation, Films, Opacities, Specks, Abnormal Growths on the Mucous Surface, and Gangrene.

DISEASES and injuries of the eye, as might be expected from the delicate and complicated structure of this organ, are very numerous, and its extreme sensitiveness causes great annoyance or pain when affected with any disease, or when any foreign matter, even a cinder or sand, gets underneath the eyelid.

It is of the utmost importance that the eye should be attended to at once when anything is wrong with it. What could be cured without much trouble, if immediate attention is given to it, might develop into a very serious matter, and eventually cause the loss of sight.

Dr. J. D. Kellogg's Eye Water promptly stops inflammation, cools and soothes the diseased parts, strengthens the sight and restores the organ to a natural healthy action.

WAS BLIND, BUT NOW CAN SEE—MR. TIMOTHY SOLMES, St. Ola, writes:—"I take pleasure in telling you what **Kellogg's Eye Water** has done for me. My age is seventy-nine, and for fifteen years I have been totally blind in one eye, but with the aid of **Kellogg's Eye Water** my sight has returned. This is a miraculous cure and words cannot tell how much I appreciate the aid I find at my age in being able to use both eyes."

NO CURE, NO PAY—MR. J. H. BARKER, of the Dominion Lime Co., Lime Ridge, P.Q., writes:—"One of our customers came to our store with very inflamed eyes some time ago. I asked him why he did not cure them, and he said he could not. For fifty cents I promised to cure or no pay, and gave him a bottle of **Kellogg's Eye Water**. Three days after he came in and threw fifty cents on the counter, saying **Kellogg's Eye Water** cured his eyes. I have sold several dozen, and have never heard of it failing in one case to cure."

Prepared only by
NORTHROP & LYMAN CO., (Ltd.),
Toronto.

PRICE 25 CENTS PER BOTTLE.

DR. KELLOGG'S CATARRH SNUFF FOR CATARRH, COLD IN THE HEAD, HEADACHE, &c.

ONE of the most common of all disorders to which the human body is subject in this changeable climate is Catarrh. It is contracted generally by exposure to draughts or damp atmosphere. It may at first be what is commonly called cold in the head, but if neglected it eventually becomes chronic, and is exceedingly troublesome, causing derangement of the stomach, and whole system. The smell is impaired and sometimes destroyed; appetite gone, and general emaciation frequently occurs.

DR. KELLOGG'S SNUFF

is especially adapted for this disease, and we do not hesitate to pronounce in the strongest terms of its unfailing efficacy in relieving and eventually curing the afflicted.

It has also been found an excellent remedy in many cases of Sore Eyes and Deafness. Hearing has often been greatly improved by its use. It is fragrant and agreeable, and **IT GIVES IMMEDIATE** relief to the dull, heavy pains caused by cold in the head. It opens and purges out all obstructions, strengthens the glands, and gives healthy action to the parts affected.

AN EXCELLENT MEDICINE—MRS. J. LAKE, Bay City, Mich., writes:—"Having used **Kellogg's Snuff** for a great many years, I find it an excellent medicine for Headache and Catarrh. I had a pain over my left eye for about six years, and could get no relief from doctors or anything else until I used **Dr. Kellogg's Snuff**. We are never without this **Snuff** now, although we have to send to Canada for it. Many of our friends have also been benefited by using it."

MR. PAUL THIBODEAU, Cavendish Road, P.E.I., writes:—"I have had Catarrh for twelve years, and fifty cents' worth of **Kellogg's Snuff** did me more good than \$50 worth of medicine which I had from the most eminent medical men of Montreal, Quebec, St. John and Charlottetown. I think one more bottle will completely cure me."
