DEVINE'S
Compound Pitch Lozenge.
An appeal to matter of fact, and
common sense.
It is that which has so long been sought for,
and is in full faith offered to the public as a
CERTAIN CURE for
Coughs, Colds, Whooping Cough,
Croup, Costiveness, Asthma,
and Consumption,
and will, in any case where lungs sufficient are
left to sustain life, check the ulceration, and raise
the patient to health. This is not an idle boast,
nor is this remedy sent into the market without a
thorough trial; but has proved beyond a doubt that
what has been asserted can be done.
We do not ask you, reader, to take our word,
but those who, but a few weeks ago had given up
in despair and are now in the enjoyment of health,
and without saying have given us their certificates
in favor of this great remedy.
Let all, then, who are afflicted, TRY IT, and
if the assertions on each box are not proved after an
impartial trial, the price will be returned: when the
article is not perfectly satisfactory!
This Lozenge on being exposed to the air in
hot weather should become soft; if it is objection,
but rather goes to prove that they are in good
condition.
S. D. Fuller & Co., Boston, Proprietors for
Devine's Pitch Lozenge, Dr. Corvill's Pain Ex-
peller and Mucous, a sure cure for the Piles;
also, the Yankee E-tract, an article warranted to
take out all Grease, Oil, Paint, &c., without injury
to the finest texture or showing any dust on the
skin cleansed. All other popular Medicines sold
wholesale and at the lowest Cash prices.

tail Agent, for St. John, N. B. Sept. 13.—14.
