LOCAL NEWS

PATRIOTIC FUND

The Canadian patriotic fund has received the following contributions, Margaret Goggin, Antigonish Ridge, \$1, S. H. Clark, monthly, \$1.

HE LOST \$300.

Dominic Canning of Ward's Creek, sold a piece of property for \$300 and hid the money in a tin box under a barn. He accused Samuel Robinson of taking it and the case is being tried in Sussex.

FOR THE SERBIANS

In addition to the hospital supplies for the Serbians already acknowledged by the Knights of Columbus the local council of the Red Cross has given two boxes of pneumonia jackets, Mrs. M. M. Court and Miss Sarah McGuigan socks, and Miss Annie Doherty feather pillow.

WRIST WATCH PRESENTED

A party of about 100 of the young friends of John B. Belyea, who is to leave for overseas service with the heavy battery, gathered last evening at the home of his sister, Mrs. Samuel Sewell, Duke street, West St. John. Mr. Belyea was the guest of honor and a wrist watch was presented to him on behalf of the gathering.

FOR BELGIAN ORPHANS

The following additional subscription has been received by Daniel Mallin, Belgian Consul, and deposited to the credit of the Belgian Orphan Fund in the Union Bank of Canada here: Previously acknowledged . . . \$699.55 Received from Miss Jean Young and Master Donald Young, collection made at Ketepec . . . 4.85 In acknowledging the amount received from Miss M. M. Newcomb \$100.00 the other day it should have been stated that it was the proceeds of a concert which the young people of Hopewell Cape organized for the Belgian Orphan Fund.

A WORD IN TIME

Two well known men, very much under the influence of liquor, made such an exhibition of themselves and such a filthy language on the grand stand at the East End League game last evening that ladies left the stand and everybody was disgusted. As this ground is within the police precincts it is worthy of some attention. The league teams playing good ball and it was understood when the season began that no drunkenness or bad conduct was to be permitted. Had there not been such an understanding the Playgrounds Association would have reserved the grounds for its boys, and, unless the conditions improve, there will be no more senior baseball on that field.

GOOD SHEPHERD PICNIC

The annual picnic of the Church of the Good Shepherd was held at Westfield Beach yesterday, and proved one of the most successful and many enjoyable outings. It was well attended, not only by Fairville people, but many from the merchants' picnic at Crystal Beach. The meal tables were under the supervision of Mrs. Bender, while Mrs. S. Nelson had charge of the refreshment booth. Chas. Hill looked after the beer table, and Medley McKiel the field sports. The games were well contested, and the following were prize winners: Rifle shooting—Mr. Bombard, 1st prize, rifle, Ed. Russell, 2nd prize, razor. Men's bean toss—Reginald Bosence, 1st prize, electric flashlight; James Magee, 2nd prize, clock. Ladies' bean toss—Mrs. Stinson, 1st prize, carpet sweeper; Mrs. Arbo, 2nd prize, carving set.

NO LOCAL RECRUITS AT ALL THIS MORNING

The fine weather is a poor inducement to recruiting. No one volunteered this morning, although two applications from outside were found on the desk. Military men and others interested are discussing ways of restimulating interest among the eligible and several novel and effective schemes have been mentioned. Some older people have taken very much to heart the reflection cast upon the honor of the province by the unfilled ranks of the 55th Battalion, and they are urging vigorously some effective campaign.

LT-Col. F. Minden Cole, commander of the heavy field battery for overseas service is still at Partridge Island. He has inspected the local quota of sixty-two men, which represents New Brunswick in the unit, and will leave this evening for Montreal. The local men will go to Halifax at the first of the week to continue their training. The entire battery is to be assembled there.

LT-Col. B. R. Armstrong, who is out of the city on military business, is expected home tomorrow.

WORK FOR GERMAN PRISONERS

Fifty-four German prisoners from the detention camp at Amherst, passed through Moncton on Wednesday en route to Valcartier Camp, Quebec, where they are to be put at useful work in connection with some necessary improvements being made at that place.

Arrangements are being made whereby a large number of German prisoners now under detention at Amherst will be put to work at the Experimental Farm at Nappan. The plan is understood to be to have the prisoners clear some of the farm property which is not now under cultivation. Several hundred of the prisoners will be put on the Nappan job. While they will work at Nappan, it is understood that they will not be kept in a camp there, but will go to and from the farm every day. A strong force of guards will be with them at all times.

It is reported that Frank Byler, formerly of Havelock, Kings county, who enlisted with the 8th Moncton Battery, soon after the outbreak of the war, has been killed at the front, but the report of his death has not been confirmed.

Private Robert Bell, one of the Amherst men with the First Canadian Expeditionary Force, has recovered from a shrapnel wound he received some time ago, but is still suffering from the effects of the poison gas. He is now in Resborough Barracks at Shorncliffe. Private Bell is a brother of William Bell and Harry Bell, of Amherst.

Private John Buchanan, of Springhill, N. S., now serving with the colors in France, is among the Canadians wounded in recent fighting. Private Buchanan left Springhill with the First Contingent last August. He is the second son of Daniel Buchanan, a fighter for the empire, Kenneth Buchanan having gone through many of the hottest engagements of the Boer War.

MORE MACHINE GUNS FROM HERE

James F. Robertson Gives One—Druggists Take up Matter of Contribution

James F. Robertson, who is at present at his fishing camp at Upsalquitch, has sent word to the committee which is securing contributions for machine guns that he will contribute the price of one gun.

The wholesale and retail druggists of the city are considering the contribution of a gun and it is expected that the full amount will be raised among them.

This gives a total of more than a dozen guns which have been promised and as there are prospects for several more it looks as if St. John may be able to give enough for the entire complement of sixteen guns for one battalion.

In Other Places
A machine gun for the 55th will be presented by the town of Woodstock and that may be one from Carleton county. Amherst and Springhill are each gathering funds to provide a machine gun.

Judge Gives Two

Hamilton, Ont., July 23.—The employees of the Howell Lithographing Company have notified Col. Labatt that they will give a gun. The members of the 18th Regiment band will also donate one. Mr. Justice Tetzl will give two, one to the 18th and one to the 1st Regiment.

Three From Family

Woodstock, Ont., July 23.—Lt. Col. W. T. McMullen has received letters from John D. Patterson and his mother, Mrs. Patterson, enclosing checks for machine guns. The checks total \$2,250 which will provide three guns, one from Mrs. Patterson, and one from each of her two sons, J. D. Patterson of Woodstock, and A. S. Patterson, of Melbourne, Australia.

ST. JOHN SOLDIER BACK IN THE TRENCHES AGAIN AFTER BEING WOUNDED

Carleton Man Was Hit in Leg by Shrapnel—Pride For Father in 'Lonesome Grave of Son Somewhere in France'

The following is part of a letter received by Mrs. Alfred Ellis, of West St. John, from her son, Alfred Crawford, who was wounded, and is now back in the trenches:

"Somewhere in Belgium," July 2. Dear Mother, I received the St. John and Sussex papers, for which I am very thankful. A fellow likes to hear from home, you know. Well, mother, the Germans haven't got me yet, but it is not their fault. I am feeling fine, as fit as a fiddle, have a splendid appetite and have no kick coming. My wound was in the leg, made by a piece of shrapnel. It did not amount to much. I was sorry to hear of the death of my cousin, Rubin V. Seely. Please convey to my uncle, my sincere sympathy, and tell him he has more to be proud of in that lonely grave of a son, somewhere in France, than of a whole family in Canada.

I am glad to know the boys of New Brunswick are responding so well to the call. We need them all out here, and any young man that is able and well enough to come ought to be ashamed to be seen in the streets in broad daylight. I am glad I came in the first contingent. I would not have missed it for a fortune.

The shell fire, the first time we were in the trenches, was terrible. The shrapnel was almost as thick as a snow storm in Canada; one wonders how he ever came through alive. It is very trying to the nerves at first, and the odor from the dead Germans is awful. We were for some time in an old German trench, and in some places we could see feet sticking out. It is very trying to the nerves at first, and the odor from the dead Germans is awful. We were for some time in an old German trench, and in some places we could see feet sticking out. It is very trying to the nerves at first, and the odor from the dead Germans is awful.

Sometimes we are quite near to their trenches, and then we call each other some pretty hard names, but they will not let us come too close to them with the bayonet; they generally run.

I shall send you some battlefield souvenirs as soon as I can find a little box to put them in, though not likely you will ever get them, as such things are in great demand. Someone else will probably get them.

I look hopefully forward to eating my Christmas turkey in dear old Canada. With love, I remain,
Your son,
ALFRED.

TEA AT BUNGALOW WITH DELIGHTFUL WEATHER AND LARGE NUMBER PRESENT

A large number are patronizing the tea at the Bungalow, Pleasant Point, this afternoon, conducted by the Douglas Avenue Circle of the Soldiers' Comforts' Association for the purpose of raising funds to further the good work. The weather is admirable and first class accommodation has been provided to take visitors to the bungalow.

The tea is in charge of Mrs. A. P. Barnhill, convener of the circle, and those assisting are—Mrs. R. B. Travis, Mrs. E. S. R. Murray, Miss Doris Murray, Mrs. F. C. Beaty, Mrs. A. B. Holly, Mrs. H. U. Miller, Mrs. George McDonald, Miss M. S. Tapley, Mrs. John Russell, Mrs. J. D. Marr, Mrs. H. McCollough and Mrs. E. Moore.

At the eleventh hour a large and beautiful assortment of flowers was donated to the circle from the Botanical Garden, Rockwood Park, to be disposed of or used for patriotic purposes. Although assurance was given that there would be nothing for sale, this temptation was too great. The beautiful flowers and the spirit of the donation could not be refused so, during the early afternoon, the ladies were busy making bouquets and arranging the flowers in lots for sale.

Mrs. George McAvity, president of the Soldiers' Comforts' Association, was present at the tea to lend assistance.
