## BIG CAMP IS OPEN AT NEW MILLS WITH 31 BOYS FROM U. S.

Place Established Last Year  
Becomes Popular and  
Will Be Permanent

## PARTY ARRIVES IN SPECIAL PULLMAN

Few Guests Accompany  
Lads, But Parents Are  
Expected Later

CAMPBELLTON, July 13.—Not only is this part of the province a great attraction to the traveling tourist, but it is also a mecca for those from other parts of Canada and from the United States, who desire to spend the greater part of the summer in the midst of surroundings that are scenic as well as peaceful, and withal free from the sweating heat of the congested urban districts. Camp Bonaventure, a summer camp for boys, established at New Mills last year, has already a large quota of boys on hand and more are coming.

A special pullman on Saturday's Limited carried the campers over the last lap of their journey to New Mills. The party consisted of thirty-seven boys, besides Mr. J. D. Littlefield, the Camp Director, and members of the Camp Council. Thirty-one of these youthful vacationists are American boys, mostly from cities in the state of Ohio, but the remaining six are Canadians, five from Fredericton and one from Montreal. The Montreal boy is the son of the well known Dr. Gidday of that city.

### TWO GUESTS.

Only two guests accompanied the boys, but a large number of parents and others who are anxious to visit this district will be coming and going throughout the season.

## AUTO TOURISTS IN SEARCH OF BOOZE

Boston Chamber of Commerce  
Gives Statistics of June  
Traffic

New England's much-vaunted scenery isn't so bad—as a side show—but a great summer stream of auto tourists, passing daily now through Boston, is headed grimly for one chief objective, the damper side of the Canadian border. So, anyhow, say statisticians of the Hub Chamber of Commerce's information booth, announcing the records of their work through the month of June.

Out of the 5,800 travellers who, during those 30 days, brought their perplexities to the oracles of the little house on Commonwealth avenue, a full 50 per cent. declared that they were on their way to the land where beer is beer and Volstead only a funny name.

Ranking a poor second in the popularity contest came the North Shore, whither 40 per cent. of the visitors were divided in their interest in the Berkshires, the White Mountains and the green hills of Vermont.

Well-agreed as to the many of autoists appears to be as to its destination, it is of widely assorted origin. Of the 5,800 applicants at the booth, there were representatives of 48 states and 11 foreign countries.

C., July 14.—Steps toward the formation of a National organization separate from the Canadian Credit Men's Trust Association, Limited, to investigate and protect creditors from fraudulent bankruptcy proceedings were taken yesterday by the Canadian Credit Men's convention. ## MANSLAUGHTER CHARGE

OTTAWA, July 14.—As a result of the death of Mrs. Walter O'Connor, who was struck by a motor car late yesterday, Ronald J. Cochrane, of Montreal, was today charged with manslaughter. Cochrane, it is claimed, was driving the car which struck Mrs. O'Connor and Mrs. E. J. O'Connor as they were walking along the Montreal road just east of this city. The former was almost instantly killed and Mrs. E. J. O'Connor was seriously injured.

## H. P. SHARPE DEAD

TORONTO, July 14.—Harry Parson Sharpe, general agent for the Dominion Express Company and prominent member of the National Rotary and Transportation clubs, and the Toronto Board of Trade, died Sunday at his home on Tyndall avenue, Mr. Sharpe, who was well-known throughout Eastern Canada through his association with the Dominion Express Company, was born at Brockville in 1864.

## FARMER A SUICIDE

SWIFT CURRENT, Sask., July 14.—Provincial police yesterday reported the suicide of John M. Haw on his farm near Batum. Haw shot himself in the head with a rifle, walked three yards to a barn, talked and remained conscious almost until his death an hour later.

## THE ELECTRICIST

BOSTON, July 14.—If your wires become crossed, do not call for an electrician. Call for an electrician and he'll do the job much better than any electrician ever could. A well-known Cambridge concern has been in the Beakle Square neighborhood is using the word on its advertisements.

Get fringes, which we associate with the dowager, is being used on very slim, slender, and youthful evening gowns of black tulle or chiffon.

## Find "Bridegroom" is Woman

When Dr. Nell G. Garraway and his wife were ejected from a Lincoln (N.B.) hotel for non-payment of their bill, it was discovered that Dr. Garraway was really a woman, who had traveled to Lincoln from Sheridan, Wyo., to marry Miss Marie Primeaux. Even the judge who married them did not suspect them, and hotel attaches said Dr. Garraway sat around smoking big black cigars like any man. Miss Primeaux insists she will attack her "husband," but Sheridan police have arrested Dr. Garraway for passing bad checks.

## Weddings

### Meeting-Ross

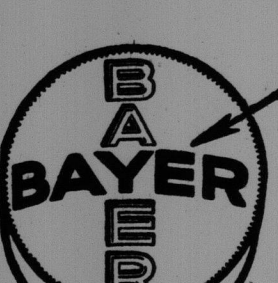

A pretty wedding was solemnized in St. George's church, West Saint John, at 7:30 o'clock this morning, when Rev. John Unsworth, rector, of the church, united in marriage Miss Elsie Ross, daughter of Mr. and Mrs. Arthur Ross, 161 Winslow street, West Saint John, and Horace C. Meeting, son of Mr. John Little, Portland, Maine. Relatives and friends witnessed the ceremony. The bride was given in marriage by her father, and was groomed in a dress of lavender georgette, with beaded and floral embroidery, with hat to match, and carried a bouquet of Ophelia roses. She was attended by her sister, Miss Gladys Ross, who wore a dress of figured silk with gold and lace trimmings, hat to match, and carried a bouquet of pink and white carnations and snapdragons. Sidney Roberts acted as groomsmen. After the ceremony a wedding breakfast was served at the home of the bride's parents. The rooms were decorated with cut flowers, and the dining table was attractive with a silver basket of red roses and centred with the bride's cake. After breakfast Mr. and Mrs. Meeting left on the steamship Governor Dingley for a wedding trip to Boston and Portland. The bride traveled in her wedding costume and a coat of periwinkle blue with grey squirrel trimmings, and wore a hat to match. The bride was the recipient of a beautiful mahogany mantel clock from the staff of Furishers, Ltd., where she has been employed for several years. A substantial check from her parents, and other lovely gifts of silver, cut glass and china. On their return Mr. and Mrs. Meeting will reside in West Saint John.

### Clark-Tidman

The marriage took place in Toronto on Saturday, July 10, at the Church of St. Michael and All Angels (Anglican), of Kenneth, son of Mrs. Bertha Clark and the late James S. Clark, of West Saint John, to Marjorie May, daughter of Mr. and Mrs. W. S. G. Tidman, of Toronto, Ont. The bride, who was given away by her father, looked lovely in a silver blue tulle dress and rose pink picture hat, and carried a shower bouquet of Ophelia roses and lilies of the valley. She was attended by Miss Helen Brown, of Toronto, who was dressed in pink, with oyle picture hat, and the groom was supported by the bride's brother, Charles Tidman. Many beautiful gifts were received by the bride, including silver, cut glass, linen and checks.

After the ceremony a reception was held at the bride's home and was attended by many relatives and friends of the happy couple, who later left on a honeymoon trip through the Thousand Islands and Maritimes. They are expected to arrive in Saint John today to visit Mrs. Bertha Clark. On their return they will reside at 7 Kagan Ave., Toronto, Ont.

Comments on Attendance of  
Home Economics Teachers

In all, 28 home economics teachers, seven of them Saint John ladies and one from Fairville, registered at the Vocational School yesterday for the four weeks' course in millinery, dress making and other home economics subjects. Miss Sarah Barnett, B. Sc., provincial supervisor, who is in charge of the course, deplored the fact that Saint John city provided only 28 per cent. of the teachers registered. Miss Barnett said she thought there should be many more Saint John representatives enrolled than there are at the present time.

## Chinese Enoch Arden Jailed For Blackmail

PEKING, July 14.—Chung "Enoch Arden" who sought to return to his long-lost wife recently now finds himself, not the centre of a happy home but of an innuendo of the Peking city prison.

Wu Hsiang, an Imperial days member of the large band of eunuchs employed in the Emperor's Forbidden City, retired from his position, with the coming of the republic and, like others of his class who had money, took a wife. He says he got his tranquillity shattered by the appearance of the soldier who declared himself the true husband of his wife, and demanded that she go to him.

Wu opposed this and asked proof of the claim. Accordingly the soldier brought a Chinese "middle-man" who said he had arranged the marriage. But it was intimated by the pair that if a sum of money were forthcoming the soldier's husbandly claims would not be pressed.

At this point Wu communicated with the police. Investigation showed the affair was a blackmail plot. The soldier and the middle-man went to jail.

## Letter To Secretary —OF— Protestant Orphans' Home

Saint John, N. B.,  
July 10, 1926.

My Dear Mr. Miller:  
Amazed and surprised can only express it slightly, was I and many others, when reading in the papers of the poor support given the Protestant Orphans' by all of us who claim this religion. This is a stunning disgrace.

All the ministers of the Gospel know or they must know that the Protestant Orphanage has got to be kept in fund by subscriptions and donations from their congregations. The Knights of Pythias, Orangemen, Oddfellows and all other Protestant Orders, who have done so much in the past must fully see that the Orphanage can only be continued by their generous support. So it is up to them and the generous hearted citizens to give generously, otherwise the running expenses cannot be paid.

Many of us who donated to the Building Fund (and I was one of the first to give \$1,000.00 and as you know have since been able to give also) have forgotten that this amount only paid for the Building. We seem to forget that the running expenses were not included in this, otherwise there would be no further calls now.

## Easy To Overcome Tan or Freckles

If your skin is unduly reddened, tanned or freckled, just dab a little Mercolized Wax on the face and allow it to remain over night. When you wash off the wax in the morning, fine, flaky, almost invisible, particles of cuticle come with it. Repeating this daily, the entire outer skin is absorbed, but so gradually and gently, there is the slightest hurt or inconvenience. Even the stubbornest freckles are affected. The underlying skin which forms the new complexion is clear, fresh and youthful-looking, you'll marvel at the transformation. It's the only thing known to actually discard an aged, faded, muddy or blotchy complexion. One ounce of Mercolized Wax (at any drugstore) is sufficient in most cases.
