

## DIOCESAN W. A. HAD GOOD SEASON

Encouraging Reports are Presented at Meeting in Stone Church.

Excellent reports of the triennial meeting of the Dominion Women's Auxiliary were given at the meeting of the Fredericton diocesan branch yesterday afternoon in St. John's (Stone) church school room, when Mrs. George F. Smith, president, was in the chair and there was a very large attendance of members. The opening address was given by Rev. A. L. Fleming.

Mrs. Smithers, third vice-president, was welcomed and asked to convey greetings to Canon Smithers.

Miss C. Schofield reported four life members—Mrs. S. E. Burns, of Fredericton, and Miss Annie Mager, Mrs. G. A. Perley and Mrs. J. W. Clark, of Margerville. She read a letter of thanks for sympathy from Mrs. James Millidge, a note of greeting from the MacKenzie River diocesan secretary, Mrs. E. Clark, of St. David's mission, Fort Simpson, native of Sussex, N. B., whose father and mother were married in Stone Church, St. John, and whose aunt is Mrs. W. D. Forster, St. John.

Mrs. G. C. P. McIntyre, treasurer, reported expenditures, \$45; receipts, \$37.25, and a balance of \$259.19. She read a letter of thanks from Rev. W. R. L. Conrad for a gift from the W. A. Mrs. McIntyre reported the first branch returns had been received from Trinity Girls' Guild, which had not only met all pledges but given an additional \$10 for diocesan expenses. She hoped this was an indication of what all returns would be.

Supplies.

Mrs. John M. Hay, Dorcas secretary, reported supplies sent as follows: Four chests to Chapleau, eight to Lac La Ronge, three chests and one bale to White Fish Lake, four chests and two bales to Mackay and five chests to Onion Lake. In all 54 outfits were sent from the diocese as well as three chests of clothing and other articles for

## Constipation breeds 40 diseases

What a wreck of the human body constipation can make. It floods the system with dangerous poisons. It leads to serious diseases. Don't neglect it!

Kellogg's Bran, cooked and krumbled, if eaten regularly, is guaranteed to relieve permanently the most chronic cases of constipation. If it fails, your grocer will return your money. Kellogg's is ALL Bran. Doctors recommend it. They know that only ALL bran can bring 100 per cent results.

Kellogg's Bran stimulates the intestine in nature's own wonderful way. It sweeps, cleans and purifies! It makes the bowels function naturally—and regularly.

Kellogg's Bran has a delicious, nut-like flavor. Eat it with milk or cream—or in the recipes given on every package. Eat two tablespoonfuls daily—in chronic cases, with every meal. All grocers.

Northwest Indian day school missions, as well as parcels for Indian and Honan missions. She read a grateful letter from Rev. F. S. Ford acknowledging

the splendid gifts sent the leper asylum.

Miss Louise Peters, Galetown, girls' branch secretary, reported a new branch at Hammond River.

Miss Portia Mackenzie, junior branch secretary, reported a new branch at Welsford and Mace's Bay branch re-organized, ten dolls dressed for children in India, library books sent in the diocese and communion vessels sent to Lake Edward.

Mrs. J. L. Day, Little Helpers' secretary, and Mrs. Cortlandt Robinson, literature secretary, gave reports. Mrs. Robinson spoke of the calendars being on order.

Miss Muriel Fairweather, Living Message secretary, reported 1330 subscribers which was 84 more than at the corresponding date last year.

The E. C. D. treasurer reported money received from seven city and six out-of-town branches.

Miss Sadler reported for prayer partners and as editor for the Living Message.

New Branch Formed.

Mrs. W. D. Forster, organizing sec-

retary, reported a new branch formed in St. Andrew's congregation, Sackville.

Reports of the triennial meeting were given by the delegates. Mrs. Hay told of Dorcas work, saying bales were sent as follows: Indian schools, 2,116½; Indian missions, 275½; white settlers, 62½; overseas, 893-84; diocesan, 613-8, all valued at \$56,120.14 and special furnishings valued at \$1,185.93 for diocesan and other furnishings \$6,923.22, making a grand total for Dorcas work \$64,228.89. This year Fredericton diocese was asked to take 56 outfits and the Dominion to make outfits for 666 pupils of Indian schools and the pupils of two additional schools.

Mrs. Alfred Morrissey explained the W. A. now had representation on the M. S. C. C. She told of Canon Gould's reference to foreign missions. The secretary's report showed there were now in the foreign field 96 missionaries and two Bible women, and in the home field 24 missionaries. There were also enrolled 63 workers, 149 children supported and 25 Bible women. With one diocese sending no report returns showed 79,882 members enrolled in 2,657

branches. Newfoundland was welcomed as a new W. A. branch. Receipts were about \$348,400, and the Thank Offering to \$14,673. In the Thank Offering Fredericton diocese was fifth out of 26. Miss L. Shaw, of St. John, was now back in Japan and a W. A. missionary.

In the new budget were \$10,000 for white settlers and allowance for a monument to be erected to Rev. Mr. Girling. Dr. K. Travis told of the work at St. Paul's hospital in Honan, where a training school for nurses had been established.

The new school of missions in Canada was said to be giving a very valuable service, and there were last year 46 children on the education fund. Gratifying reports were given of the extension of girls, juniors and Little Helpers branches.

Money for Settlers.

Mrs. Morrissey spoke in closing of the decision of the W. A. to contribute \$10,000 to white settlers work, giving the money undesignated.

Mrs. James F. Robertson told of the pleasure of seeing Mrs. Waring, Mrs. Kuhring and Mrs. Skelton at the Dominion meeting. She told of the devotional aspect of the meeting. Intercessory prayer and the companionship of the W. A. had been the theme of the Bishop's sermon at the communion service. The missionary meeting had had the inspiration of numbers. Bishop White, of Honan, paid a tribute to the W. A. and told of the establishment of the missionary diocese of Honan in 1910, when the great famine proved a means of adding the missionary enterprise. Bishop White in 1922 had been given administration of the \$2,000,000 famine fund, and through his wise administration dykes and roads had been built and through this means that country would have \$15,000,000 increase in revenue this year. This work Mrs. Robertson characterised as sanctified common sense. Bishop White had closed with emphasising the need of a native church in China. Bishop Lloyd, of Saskatchewan telling of his

diocese stressed the need of deaconess for work among the white settlers there. Mrs. Robertson told of the coming this year of a Japanese girl to train in Toronto, and of two Japanese Bishops having been consecrated. Mrs. Stringer, wife of the Bishop of the Yukon, and Mrs. Schofield, wife of the Bishop of Columbia, had spoken of work in those missionary dioceses.

Mrs. George F. Smith told of \$775 having been presented to Mrs. Hall, who retired from the office of Dominion president, and said this sum would be allocated by Mrs. Hall to some work that would be named in her honor.

As the hour was late further reports of the triennial were deferred until another meeting.

READY FOR BADMINTON.

St. Rose's Women's Society met last evening in their hall with Miss Mary O'Brien presiding. The Badminton Club, which has been organized is being made ready in every particular. By next week St. Rose's

## To save your precious strength and time

A BIG blue-and-orange package, full of mystery—full of what women call "white magic."

This is Chipso, that saves women's strength and time.

Twenty-five seconds after you open your Chipso package, you have a veritable cloud of fleecy suds, and your new, shorter, easier Chipso washday has begun!

With neat, dry Chipso, you no longer have to bother with cake-soap.

Chipso is quick, but without any flying powder to make you sneeze and cough.

Chipso and water are all you need, whether you boil or soak your clothes, or use a washing machine.

Chipso is safe—kindness itself to fabrics and colors.

Chipso expands into marvelous suds, that grow and grow until your clothes are fairly smothered in millions of tiny cleansing bubbles that carry away every particle of soil—like magic itself.

Chipso has a dozen uses in your home—dish-washing, for instance, is quicker, pleasanter with Chipso than with either cake-soap or powders.

PROCTER & GAMBLE

# Chipso

(Quick Suds)

Big!

Can you afford to be without Chipso another washday? Your grocer has it now—two big sizes.

## Incomparable in Beauty ~ Supreme in Tone ~

EYE and ear are both delighted by the McLagan Phonograph. More than 30 gems of the cabinet-makers' art house the peerless McLagan motor and reproducing parts. All McLagan cabinets are enduring in charm, authentic in design, flawless in construction, and worthy of a great factory famous for its period masterpieces. There is an incomparably beautiful "McLagan" to grace any home, great or small, where good taste rules.

But the McLagan Phonograph is far more than a "thing of beauty". Perfect reproduction is achieved by such exclusive features as the McLagan-Fletcher Reproducer, with its six sound openings and air chamber, the McLagan-Fletcher hexagonal Tone Arm that eliminates glare or blast, and the McLagan Suspended Amplifier, deep-throated and resonant. Every note on the record—vocal or instrumental—is reproduced naturally and with perfect tonal shading. There are no other sounds—for the McLagan motor is noiseless. Above all else, a McLagan Phonograph is a superb musical instrument.

See and hear the McLagan. It plays any disc record and with any style of needle. Ask your dealer about the many superior features of Canada's Phonograph Supreme. You'll appreciate the splendid value represented in the McLagan Phonograph.
