

20 MARRIAGES, 40 ENGAGEMENTS, IS BOAST OF CLUB'S FIRST YEAR

Members Wore Green Piping on Coats and Bodices

Paris, Oct. 23.—The Green Ribbon Club has just celebrated its first anniversary with a record that its president describes as "glorious," in that it can boast of 700 members, twenty marriages and forty engagements. The club was born of an article by a humorist who, in jest, suggested that those who wanted to marry and failed to meet a kindred spirit might wear some token that would show they were prepared to enter into matrimony under due and proper conditions. The idea was taken up seriously and a club formed, the members choosing a short green piping sewn to their

coats or bodices as a sign. The regulations contain the following item: The sole object of the National Green Ribbon Club is to facilitate honorable marriages between its members by means of meetings, dances, excursions and trips.

Active members must supply a police certificate not older than three months, a proof of identity and a copy of their birth certificate.

They must undertake to submit to a medical examination to establish that they are in good health.

The wearing of the green ribbon is obligatory at all meetings but prohibited on any other occasion.

The Royal Mail Steam Packet liner Chaleur, Captain Macey, arrived in port last evening about 8 o'clock and docked at the Atlantic Refinery wharf, having encountered good weather on her voyage from Bermuda and the British West India.

Put your faith in Kellogg's Bran— it relieves Chronic Constipation!

If you suffer with mild or chronic constipation, go after it relentlessly! Constipation has probably wrecked more lives than any one human ailment. It is the basis of many illnesses, leading even to such diseases as Bright's and diabetes. In its milder form constipation creates sick headaches, biliousness, dizziness, nausea, bad breath, pimples, etc. Kellogg's Bran is guaranteed to relieve constipation permanently if it is eaten regularly. Kellogg's is ALL BRAN—that's why it acts as nature's perfect sweeper, cleanser and purifier. To safeguard your own health, to protect your family, serve Kellogg's Bran each day. As a constipation preventive or for mild cases, eat at least two tablespoons daily. In chronic cases, as much with each meal. But keep at it persistently—best con-

stitution with bran—nature's most wonderful food! And think how Kellogg's will free you all from the dangers of pills and cathartics!

Kellogg's Bran is a life sustainer and body-building food because it contains mineral salts and other food essentials, as well as being a natural relief from constipation!

Kellogg's is delicious in its nut-like flavor. It adds greatly to the taste of hot or cold cereals when sprinkled or mixed with them. Or, cook it with hot cereals, allowing two tablespoons for each person.

Kellogg's Bran makes very delicious muffins, raisin bread, etc.

Kellogg's Bran is served in leading hotels, clubs and restaurants in individual packages. All grocers sell it.
