

FAIRVILLE CLUB PLAYS IN TRINITY

Amateurs of Baptist Church
Win Applause in "Wandering Tom," Presented in Aid of Trinity Scout Camp.

"Wandering Tom," a four act drama was given an excellent presentation in Trinity church hall, last night, by the Fairville Baptist Dramatic Club, in aid of the Trinity Boy Scouts camp fund. A large audience showed by its hearty applause its great appreciation of the manner in which the play was presented and a substantial sum was realized as the proceeds of the entertainment. During the interval candy was sold by the scouts and their stock in trade was quickly disposed of. Some delightful specialties were given between the acts. Little Miss Dorothy Spence sang two solos very sweetly. C. McCullum acting as her accompanist. His accompanist was Miss Muriel Regan. For the incidental music of the play William Davis was the pianist. Before the last act, the badges which the Trinity Scouts had won recently were presented to them by Rev. A. E. Gabriel, curate of the church. Valentine Pritchard received badges as leatherworker and laundryman and as these two brought the total number of his badges to eighteen he was awarded the gold cord, which decoration Mr. Gabriel also presented. Scout Pritchard won the carpenter badge. The Wolf club awards were won and presented as follows: House orderly and artist, Robert Ross; collectors, Gregory Short, and athletic, A. Vincent.

The staging of the play was well done and much of it was the handiwork of the dramatic club. The cast of characters was as follows: David Moore, John Carvell, Susan, his wife, Miss Edna McAllister, Elizabeth, his daughter, Miss Francis Scott, Jerry, his son, William Harris, John Ryder, of the Maples, Byron Linton, Rev. Dr. Templeton, William Arbo, WANDERING TOM, the mystery, William Somerville, Old Mose, his faithful servant, Clifford Sears, Nell, the wayward child, Miss Ines Boyd, Arabella, the village gossip, Elizabeth McMillan.

SPECTACULAR FIRE IN TORONTO CITY

(Canadian Press Despatch.)
Toronto, May 18.—On the site of the historic old fort which was burned by the invading American army in the war of 1812, and still called the Old Fort, a large frame ordnance building containing barracks stores for the Canadian government to the value of about \$750,000 was destroyed by fire about 10 o'clock tonight. The building was erected by the government while the war was on and it was packed with equipment used by the camps in the Toronto military district, including valuable surgical instruments, as well as beds, tents and cooking utensils. The roof of the building was of tar construction, and the fire was first seen there. In an hour the whole thing had been destroyed in one of the most spectacular fires seen in this city in years.

Most of the contents of the stores, and fully seventy-five per cent. of the contents of the houses were destroyed. The total damage is estimated at between \$80,000 and \$90,000. Lamey had \$4,500 insurance and the others but little.

GOOD PROGRESS IN HYDRO WORK

Hon. Dr. E. A. Smith, chairman of the N. B. electric power commission, accompanied by C. O. Foss, of the commission, and Mr. Flanagan, of Mitchell Brothers, of Toronto, consulting engineers, made a trip of inspection to Musquash yesterday. Dr. Smith expressed himself as very much pleased with the progress of the work. The dams are fast rounding into shape, especially on the East branch, where the

foundation for the intake now is being built. The party visited Log Falls on the West branch where construction is being started on a storage dam at that point. A separate camp has been built there and about thirty men employed on this particular job. There are about 200 employed on the whole work, Dr. Smith said. He looks for greater progress from now on owing to the winter season being passed and the weather being more suitable for the work. It is expected that a start will be made immediately on the power house, the contract for which was let recently.

The ship liners held their regular meeting in Temperance hall last evening. Owing to the small attendance a quorum could not be secured and the meeting was compelled to adjourn.

RT. HON. W. LONG GOES TO LORDS

(Canadian Press Despatch.)
London, May 18.—The acceptance by the Rt. Hon. Walter Long of a viscountcy involves a by-election at St. George's, Westminster, one of the safest Tory seats almost from time immemorial. It is believed that Mr. Long accepted the offer of a peerage with hesitancy, his inclinations being entirely for the retention of his seat in the commons. His personality in public life has been one of

Get "Tru Value" for your Dollar

Read the Menu —forget the Box!

BY leaving out unnecessary frills and costly trimmings in their new "Tru-Value" package, Ganong Brothers are able to offer you, at an approachable price, this incomparably fine selection of their best candies. Frankly, these chocolates are the best they have ever made—and they have been at it over fifty years!

The Menu

Even if you went through the famous candy kitchens at St. Stephen, you couldn't make a happier selection than this "Fireside" Assortment. Out of 130 different kinds, the choice narrowed down to 10 leaders, and there is just enough of each to make you wish that a pound was really more than 16 ounces!

Mint Pattie

Catches the eye at once—so much larger than the average 1921 model. Tastes like a julep, almost. Your first taste of the aromatic fondant will explain the size to your entire satisfaction. After 30 years' experience, the candy-maker admits he cannot make a better mint.

Creamed Coconut

From sunny Trinidad the ripe coconuts are shipped to St. Stephen, shelled and grated very fine with the milk still in them. Beat this up with delicious whipped cream, and seal it all up in the famous G. B. chocolate coating!

Coffee Walnut

The perfect Sunday morning cup of coffee, rich cream and all—quite an achievement in itself. But Ganong's attained perfection by adding selected morsels of meaty walnuts.

Maple Coconut Frappé

Take New Brunswick's finest maple sugar, beat it with thick cream fresh from the farm. Seems enough for anybody's taste, but Ganong's add just that extra touch—the full flavor of fresh grated coconut. The G. B. coating tops it all.

Nut Brittle

Luscious lasses from Barbadoes, selected peanuts from Virginia—a snappy piece with a snappy taste. Just the one the children pounce upon at sight—so big, so tantalizing for busy little milk teeth.

Maraschino Cherries

Those plump little cherries from the romantic south of France, full cordial, dipped deliciously in smoothest cream, expertly sealed in a G. B. coating. On this piece Ganong's depend to establish the "Fireside" assortment as a value without parallel.

Nutty Crisp

Very worthy successor to that old favourite—Peanut Brittle. Satisfies the longing for a good old-fashioned bit of hard candy. Elected a member of the "Fireside" family "by special request."

Caramelized Nuts

Just express your wishes, and they are granted. Here's a caramel that's "chewy," but not sticky nor hard—substantial but does not interfere with conversation. The walnut is just an added touch, like painting the lily.

Walnut Fondant

Plump meats from Bordeaux fine-flavoured walnuts, freshly shelled, set into whipped cream. Not only that but something more—the expert G. B. dipping in a chocolate coating made from 4 different kinds of cocoa beans.

Cream Toffee

The cream merely describes its exquisite smoothness, but who can describe a taste? Ganong's revival of Old English Toffee at its best. Possesses the peculiar G. B. feature—you can eat so much without discomfort.

Truly, at One Dollar the Pound, you are offered a value without parallel. Each piece stamped "G. B." as a mark of identification, as a guarantee of quality.
