REGENT DEATHS

Woodstock, N. B., Jan. 26.—A young son of Frank Watson died very suddenly this afternoon. It is supposed the child found a box of sugar-coated pills and ate a quantity of them. A physician was summoned and everything done to save the child's life but without avail. News of a double bereavement came to Frederick W. Stringer, an employee of the Imperial Theatre, when he received a telegram announcing the death in London of both his mother and brother-in-law. At Red Rapids last week, Paul, eldest son of Mr. and Mrs. David Millen, passed away. At Arthuret, Victoria County, George Price died last week, aged eighty-four years. He leaves his wife and four daughters. At Gordonsville, Carleton County, Allen, aged eleven years, youngest son of Mrs. Charles Campbell, died last week. At Pokio, York County, on last Monday, Mrs. Frederick Clare died at the age of twenty-six years. At Salisbury on Thursday evening Mrs. Hart Murray passed away. She is survived by her husband and quite a large family. At Lewis Mountain, Salisbury, on the 22nd inst., Mrs. William Alward died. She was about eighty-four years of age. Besides her husband she is survived by several sons and daughters. Alward, foreman on the I. C. R. at Salisbury; Nelson Alward, farmer, of Lewis Mountain, and Stanley Alward, farmer, of North River, are sons. Several members of her family are residents of the United States. In Melrose, Westmorland county, last week Miss Margaret Fitzpatrick, daughter of Mr. and Mrs. Martin Fitzpatrick, passed away. Deceased was twenty-four years of age. She leaves besides her parents, three sisters, Mrs. M. Ripley, New Glasgow, N. S., Mrs. B. Baxter, Northport, N. S., and Miss Mabel at home, and three brothers, Frederick, of Amherst, N. S., Harry, Bayfield, and William at home. C. Edwin Taylor died on Sunday morning at the Hospital in Moncton. Mr. Taylor was a native of Moncton, and one of its best known citizens and widely known throughout the province, having been a traveling representative for some years past for the Amherst Boot and Shoe Company. He was a son of the late William Taylor. In former years he was in business, being associated with his brother, R. T. Taylor. He was 57 years of age, and survived by a widow and two daughters, Miss Hazel, at home, and Mrs. Charles Bezanon. Three brothers, Messrs. R. T. and Samuel of Moncton, and George of Garshe, Cal., and two sisters, Mrs. T. R. Denham, of St. John, and Miss Charlotte, of Moncton, also survive.

HERE IS THE SECRET OF LONG LIFE

While looking forward to health and long life it is possible that you are unaware of the conditions necessary to attain healthful old age. Careful eating, and consequently preservation of the health and vitality of the digestive and excretory organs, is of the greatest importance. Overeating is the usual cause of torpid, sluggish liver action, and when the liver fails additional work is thrown on the kidneys and they break down. Kidney disorders are the great source of suffering in old age. Rheumatism, bodily pains, aching arms and legs, backache and lumbago are the result. By the use of Dr. Chase's Kidney-Liver Pills to regulate the liver, kidneys and bowels, as occasion requires, you not only overcome the suffering, inconvenience and unpleasantness of attacks of biliousness, indigestion and constipation, but you actually prolong life by keeping these organs in good, healthful condition. This medicine is a wonderful source of comfort for people in old age.

In St. David's church last evening an enjoyable gathering was held under the auspices of the Young People's Society. Those taking part were Arthur Willett, Walter Nelson and O. J. Fraser who spoke on the Women of Science. A musical programme was carried out by C. Gilmore, Miss E. Climo and A. C. Smith. Allan Grulshank was chairman of the entertaining committees.

STAR'S NEW POLICY A DECIDED HIT The people of the North End appreciate the efforts of the Star Theatre to cater to them, even at a much greater outlay of money, as evidenced last night when the theatre was crowded from 6.30 until 10 o'clock.

The new four reel programme policy made an instant hit and Selig's wonderful jungle feature in two reels "Wamba" elicited general comment. The adventures of a mere infant among ferocious lions and other animals in the jungle was truly a wonderful sight. The remainder of the programme was made up of a Kalem drama and an Edison comedy. A special matinee was held this afternoon to accommodate the school children and tonight will be the last showing of this elaborate bill. Tomorrow the Star's second big feature will be a powerful Vitaphone society story "Red and White Roses" featuring an all star cast of this popular company's players including Julia Swayze Gordon, Rogers Lytton and others.

WASHINGTON, D. C., Jan. 27.—President Gompers of the American Federation of Labor will leave for Indianapolis today to answer charges of President Charles H. Moyer of the Western Federation of Miners, made yesterday before the convention of the United Mine Workers of America.

When informed of Moyer's allegations, Gompers declared that the records showed them to be "seriously mistaken in fact." He will go before the miners fortified with a copy of the minutes of the last session of the executive council of the American Federation of Labor, other documents, which he says will disprove Moyer's statements.

Friends of Mr. Gompers were offering their congratulations to him today on the 64th anniversary of his birth.

"The Talker" will be repeated this evening and twice tomorrow.

GOETHALS MAKES TERMS ON WHICH HE WILL ACCEPT POLICE COMMISSIONERSHIP Man Who Built Panama Canal Wants Full Power Before He Will Take Post

New York, Jan. 27.—Colonel George W. Goethals, who built the Panama Canal, has consented to become police commissioner of this city at the end of the present year on condition that the president of the United States place him on the retired list and with the additional condition that Mayor Mitchell in the meantime procure legislation which will make the police commissioner the final court of judgment in dealing with the men under him.

This was the message which George W. Perkins brought back from Panama to Mayor Mitchell at his home. Colonel Goethals sent his terms to the mayor in a letter, after reading which the mayor issued a statement saying that a bill would be drafted and sent to the legislature immediately, providing for the change in the law which Colonel Goethals has made a condition of acceptance.

Washington, Jan. 27.—At the White House it was said that President Wilson knew nothing whatever about the Goethals' report, and that he had confidently expected that Colonel Goethals would become the first governor of the Panama Canal Zone.

At the war department the report was not credited.

MAY QUIT POLITICS Hartland Observer.—It is currently reported that B. F. Smith has decided that there is no money in politics for him and that his private business demands his whole attention. He, therefore, says the rumor, will abandon politics. It is also said that for his services to the party Mr. Smith feels compensation is due him and that if Providence continues in reforming the senate Mr. Smith aspires to a seat in that body.

CANON COWIE ILL. Canon Cowie, who has been confined to his home for the past week suffering from a heavy cold, was unable to conduct the services at St. Ann's church, Fredericton, on Sunday and Rev. Mr. Millidge of St. John occupied the pulpit in the morning and evening.

Connell Bros., Limited. A meeting of the creditors of Connell Bros., Limited, was held at Woodstock yesterday afternoon. The appointment of W. S. Sutton as assignee was confirmed. W. M. McCann, manager of the Bank of Nova Scotia, and John S. Eagles, of St. John, were appointed inspectors.

A statement was presented showing liabilities of \$10,000 and assets \$30,000. The affairs of the concern are in a condition that will take some time to straighten out before any definite announcement can be made as to the possibility of a continuance of the business. It is said that some outside parties are ready to buy at a figure that will mean a loss to the creditors. W. P. Jones is present in the interests of James Robertson & Co. and some of the stockholders. Adjournment was made for a month, when it is expected the officials appointed will be in a position to make a report advising of some definite line of action.

The greed and avarice of a grasping railway company management were strongly defined yesterday in a two part Edison production at the Gem Theatre entitled "The Phantom Signal". The desire of the big financiers for the mighty dollar, their inhuman and grinding system to gain their objects and the selfishness with which they carry their plans forward for the success of the road were well brought out. The story showed a big railway financier who crushed those beneath him in his employ, overcame all obstacles by the power of money, but into whose shriveled soul came a ray of sunlight when in his overworked mind arose a vision of the horrible result of his avaricious chase for gain. The picture proved of absorbing interest, and will be given again this evening. The Gem orchestra had a delightful programme of music, while there were two more splendid pictures, "Bronco Billy and the Snakebite Lady Doctor," a screaming comedy, and "The Siren's Call to Duty," a stirring labor drama. These four big reels and the pleasing musical programme made a most enjoyable show.

AMUSEMENTS GOOD VAUDEVILLE AND PICTURES AT THE LYRIC. Kennedy and Burt, the latest link in the Lyric's chain of vaudeville acts, again presents a happy combination of song and dance by artists who know how. This clever team offers a dainty act embracing popular novelty songs rendered in a manner decidedly all their own. Mr. Kennedy, possessing a pleasing stage presence, is also blessed with a remarkably fine tenor voice, and he is not stingy with it either. His different numbers were thoroughly enjoyed by all. His pretty partner, Miss Burt, adds much to the act by a charming personality, and a good, clear singing voice. The Rain Song was interesting and is a change from the ordinary. A touch of humor is conveyed by Mr. Kennedy's evident desire to leave Miss Burt alone upon the stage and battle with the audience for herself. Possibly because he fears that she can fill the bill most satisfactorily, he returns, but in the meantime the audience is guessing as to whether a trip to Reno is to be the outcome of a hasty song quarrel. The picture bill claims the Mutual Weekly, as interesting as ever. The Heart of a Rose, a pretty Reliance drama, and The Dividing Line, a Ramo comedy. The Flying Mitchell will be the attraction the last three days of the week.

UNIQUE OPENS THE WEEK WITH STIRRING PROGRAMME. The fame of the Kay Be war dramas, which has grown so rapidly in the past few months, seems likely to receive another impetus from The Ironmaster, which was offered for the first time in St. John at the Unique theatre yesterday. A special cast engaged for the picture plays it with a simplicity and fidelity which makes the story convincing and puts it among the best of this brand of films. The staging is worthy, especially the scenes on the battlefield and the interior of the iron foundry. The acting of Master Tom Blake, a young man of fourteen years, adds much to the interest.

Coupled with the foregoing is a laughable farce comedy by the Majestic company, The Rivals, the main incident of which is humorous in itself and when connected with the strikingly contrasted personalities and the genuinely funny stage business which illuminates the story, the film proves, what in slang parlance is called a scream. The chase by the Irishman after the Dutchman cannot help but prove enjoyable. The Metropolitan film success, The Blight of Wealth, by the Thanhouserites, is offered for Wednesday and Thursday.

THE BEST QUALITY AT A REASONABLE PRICE Good Vision Is a possession worth caring for, yet many people seem not to realize how precious it is until too late. Eye-strain is a result of neglected defects of vision—defects which have been permitted to grow, perhaps, because their existence has been unsuspected. Pains in and about the eyes, headaches and other nerve troubles may be the result of eye-strain, and these headaches and other unpleasant symptoms are what you pay for good vision. Let us examine your eyes, and tell you what they need, if you have any trouble of this kind. We fully guarantee all our work.
