**URIC ACID IN MEAT**  
**CLOGS THE KIDNEYS**  
 Take a Glass of Salts if Your  
 Back Hurts or Bladder  
 Bothers

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weak, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sores, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush out the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure, and makes a delightful effervescent lithia-water drink.

## CATARRH TRUTH

**TOLD IN A SIMPLE WAY**  
 No Apparatus, Inhalers, Salves, Lozenges, Hotful Drugs, Smoke or Electricity  
**Heals Day and Night**

It is a new way. It is something absolutely different. No lotions, sprays, or sickly smelling salves or creams. No atomizer, or any apparatus of any kind. Nothing to smoke or inhale. No steaming or rubbing or injection. No electricity or vibration or massage. No power; no plaster; no keeping in the house.

Nothing of that kind at all. Something new and different, something delightful and healthful, something instantly successful. You do not have to wait, and finger and pay out a lot of money. You can stop it overnight—and I will gladly tell you how—FREE. I am not a doctor and this is not a so-called doctor's prescription—but I am cured and my friends are cured, and you can be cured. Your suffering will stop at once like magic.

### Am Free-You Can Be Free

My catarrh was filthy and loathsome; it made me ill. It dulled my mind. It undermined my health and was weakening my will. The hawking, coughing, spitting made me obnoxious to all, and my foul breath and disgusting habits made even my loved ones avoid me secretly. My delight in life was dulled and my faculties unimpaired. I knew that in time it would bring me to an untimely grave, because every moment of the day and night I was slowly yet surely sapping my vitality.

### USE JUST ONE CENT

Send no money. Just your name and address on a postal card. Say: "Dear Am Katz: Please tell me how you cured your catarrh and how I can cure mine." That's all you need to say. I will understand, and I will write to you with complete information, FREE, at once, or not delay. Send postal card or write a letter today. Don't think of turning this page until you have asked for its wonderful treatment that can do for you what it has done for me.

SAM KATZ, Room A 2724,  
 42 Mutual Street, Toronto, Can.

## JEWISH NEW YEAR

Observance on Tomorrow and Monday—Some of the Ceremonies and Features

RABBI HELLER

As stated in yesterday's Times, Rabbi Nachman Heller will conduct the services in connection with the Jewish New Year and other feasts at the Hazen Avenue synagogue in this city.

### The Jewish New Year's Day.

The feast of Rosh Hashanah or New Year's Day, which inaugurates the most solemn season of the Jewish religious year, will begin this year on tomorrow (Sunday) evening, and last till sundown on Monday, the twenty-first. Among orthodox Jews who celebrate two days, the following day, Tuesday, is also observed. This day opens the Jewish calendar year 5675.

The observance of this day as a holy season is commanded in two passages of the Five Books of Moses, namely Leviticus XXIII, 24 and 25, and Numbers XXIX, 1. In neither passage is there any specific command as to how the day is to be observed beyond the injunctions to blow the trumpet, to hold a holy convocation and to engage in no servile occupation.

It is to be noted that this day is the

## DOCTORS DID NOT HELP HER

But Lydia E. Pinkham's Vegetable Compound Restored Mrs. Bradley's Health—Her Own Statement.

Winnipeg, Canada.—"Eleven years ago I went to the Victoria Hospital, Montreal, suffering with a growth. The doctors said it was a tumor and could not be removed as it would cause instant death. They found that my organs were affected, and said I could not live more than six months in the condition I was in. 'After I came home I saw your advertisement in the paper, and commenced taking Lydia E. Pinkham's Vegetable Compound. I took it constantly for two years, and still take it at times, and both my husband and myself claim that it was the means of saving my life. I highly recommend it to suffering women.'—Mrs. M. A. Bradley, 284 Johnson Ave., Winnipeg, Manitoba, Can. Why will women take chances or drag out a sickly, half-hearted existence, missing three-fourths of the joy of living, when they can find health in Lydia E. Pinkham's Vegetable Compound? For thirty years it has been the standard remedy for female ailments, and has restored the health of thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, tumors, irregularities, etc. If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman, and held in strict confidence."

## All Days Look Alike To These Bicycle Tires

All days and all roads look alike to Goodyear Bicycle Tires. These are the tires with the famous All-Weather anti-skid tread. The diamond-shaped blocks grip the road, adding to the safety on sharp wet corners, while giving a smooth-riding quality on straight-away level roads.

## GOOD YEAR TORONTO Bicycle Tires

And these are beautiful tires. They add to the appearance and value of any bicycle. They are Goodyear-made under the same quality-standards that have won leadership for Goodyear automobile and motorcycle tires.

### Durability Built In

Durability and service are prime considerations in the making of Goodyear Bicycle Tires. They are made of the Goodyear Bowmanville, Ontario, factory. Men can not make better. You cannot get better. Then why experiment with lesser tires when Goodyears bring you certainty?

The Goodyear Tire & Rubber Company of Canada, Limited, Head Office, Toronto, Ont. Factory, Bowmanville, Ont.

## MOUNT ALLISON RHODES SCHOLAR LEAVES FOR OXFORD

Moncton Farewell to Wm. H. Irving—English Letter Tells of Russian Troops

Moncton, N. B., Sept. 10.—William H. Irving, B.A., a Rhodes scholar, left on Friday afternoon for Oxford University. After graduating from the Aberdeen High School here he attended Mount Allison, where he made an excellent showing and graduated two years ago. Mr. Irving was chosen by the Mount Allison faculty as Rhodes scholar. Since then he has been engaged as a teacher on the Aberdeen High School staff. On Thursday night the Canadian Club, of which he has been secretary, tendered him a complimentary luncheon, and E. A. Reilly, K.C., read an address to Mr. Irving. Among the speakers was Rev. Dr. Campbell, president of the Ladies' College, Mount Allison.

Dr. Campbell, who responded to the toast, "The British Empire," said that in his opinion the great battle of the present European war had not yet been fought. He had no fear of the future. The allies would triumph, and Canada would benefit commercially through loss of German foreign trade.

Further evidence of the passage of thousands of Russian troops through Scotland and England is contained in a letter received by Mrs. S. L. T. Harrison, of this city. It was written at Gretna, England, by Mrs. Harrison's sister, Katherine, of the Church of Eng-

## DODD'S KIDNEY PILLS

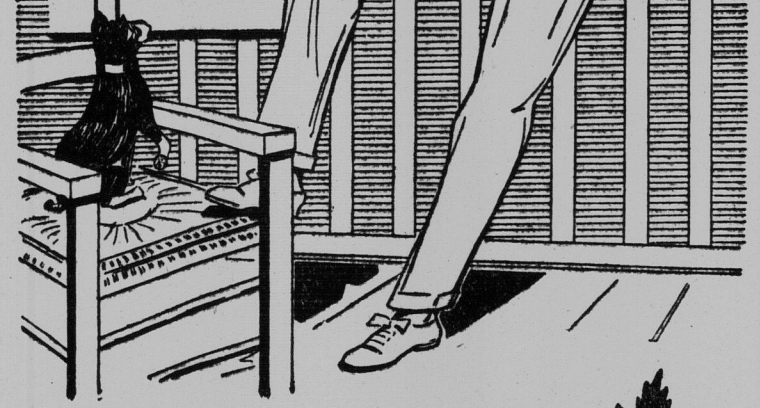

Shot His Own Non-Com. (London Times, Aug. 28.) While guarding Hay Mill Bridge, between Slough and Taplow on the Great Western Railway on Monday night a Territorial sentry challenged a man approaching the bridge. Receiving no reply to his third challenge, the sentry shot the man and killed him. He then found to his horror that his victim was Lance-Corporal Ward, of his own regiment, who was in charge of the squad at Hay Mill. It is supposed that the noise of the trains prevented Ward from hearing the challenge.

## Sit up and take Notice

That the real smart dressers to-day are wearers of **WOLTHAUSEN Guaranteed Hats.**

They lead in style, fit and finish with a hundred different shapes, either Soft or Stiff, to choose from. And, always remember that the word **Guaranteed** means your money back if not satisfied.

Ask your dealer. He knows.

## land Sisterhood.

She is a daughter of Rev. Dr. Ambrose, of Digby, N. S. "A large number of Russian troops passed through England yesterday," she says, "on their way southwards." They landed at Aberdeen from the North Sea, and were bound for Ostend, I believe. It was very quietly done, and I hope they will give the Germans the surprise of their lives.

"Everyone is very quiet over the war, but everyone feels it terribly, as almost all the young men have gone, or are going. One hears of nothing else, and every woman you meet, poor or rich, is knitting socks."

The postmaster at Highview, near Romney, W. Va., accepted for shipment by parcel post George Lerick, a 6-year-old boy. The lad was labelled and shipped from Highview to a small town in Virginia. The postage amounted to 60 cents, and in addition a special delivery stamp was attached to the box to insure quick delivery.

The thing that stands out in the Fall fashions is the high color scarf in neckwear.

The popular four-in-hand in medium size is holding its own, but the full knot, wide aproned flowing-end four-in-hand and all the plain shades are coming to the front.

All the new novelties in neckwear for now.

Prices, 50c., 75c., \$1 and up.

A fine showing this week.

What words or names do the figures spell? The magic circle will tell you.

Each number in the words called for above stands for a letter of the alphabet. When all the numbers in each word are found and placed in proper rotation you will have the word asked for. What words or names do the figures spell? That is the puzzle for bright boys and girls.

How to solve this great puzzle  
 Look at the magic circle and you will see that each number stands for a letter of the alphabet. The letters of the words are arranged in the magic circle in the order in which they are to be found. You find the letter by consulting the number of dots in the section. For instance, "A" is represented by a dot in the section "16." "B" is represented by two dots in the section "10." "C" is represented by three dots in the section "20." "D" is represented by four dots in the section "7." "E" is represented by five dots in the section "12." "F" is represented by six dots in the section "15." "G" is represented by seven dots in the section "11." "H" is represented by eight dots in the section "15." "I" is represented by nine dots in the section "1." "J" is represented by ten dots in the section "2." "K" is represented by eleven dots in the section "4." "L" is represented by twelve dots in the section "20." "M" is represented by thirteen dots in the section "6." "N" is represented by fourteen dots in the section "15." "O" is represented by fifteen dots in the section "19." "P" is represented by sixteen dots in the section "10." "Q" is represented by seventeen dots in the section "5." "R" is represented by eighteen dots in the section "19." "S" is represented by nineteen dots in the section "12." "T" is represented by twenty dots in the section "10." "U" is represented by twenty-one dots in the section "5." "V" is represented by twenty-two dots in the section "19." "W" is represented by twenty-three dots in the section "12." "X" is represented by twenty-four dots in the section "10." "Y" is represented by twenty-five dots in the section "5." "Z" is represented by twenty-six dots in the section "19." "AA" is represented by twenty-seven dots in the section "12." "AB" is represented by twenty-eight dots in the section "10." "AC" is represented by twenty-nine dots in the section "5." "AD" is represented by thirty dots in the section "19." "AE" is represented by thirty-one dots in the section "12." "AF" is represented by thirty-two dots in the section "10." "AG" is represented by thirty-three dots in the section "5." "AH" is represented by thirty-four dots in the section "19." "AI" is represented by thirty-five dots in the section "12." "AJ" is represented by thirty-six dots in the section "10." "AK" is represented by thirty-seven dots in the section "5." "AL" is represented by thirty-eight dots in the section "19." "AM" is represented by thirty-nine dots in the section "12." "AN" is represented by forty dots in the section "10." "AO" is represented by forty-one dots in the section "5." "AP" is represented by forty-two dots in the section "19." "AQ" is represented by forty-three dots in the section "12." "AR" is represented by forty-four dots in the section "10." "AS" is represented by forty-five dots in the section "5." "AT" is represented by forty-six dots in the section "19." "AU" is represented by forty-seven dots in the section "12." "AV" is represented by forty-eight dots in the section "10." "AW" is represented by forty-nine dots in the section "5." "AX" is represented by fifty dots in the section "19." "AY" is represented by fifty-one dots in the section "12." "AZ" is represented by fifty-two dots in the section "10." "BA" is represented by fifty-three dots in the section "5." "BB" is represented by fifty-four dots in the section "19." "BC" is represented by fifty-five dots in the section "12." "BD" is represented by fifty-six dots in the section "10." "BE" is represented by fifty-seven dots in the section "5." "BF" is represented by fifty-eight dots in the section "19." "BG" is represented by fifty-nine dots in the section "12." "BH" is represented by sixty dots in the section "10." "BI" is represented by sixty-one dots in the section "5." "BJ" is represented by sixty-two dots in the section "19." "BK" is represented by sixty-three dots in the section "12." "BL" is represented by sixty-four dots in the section "10." "BM" is represented by sixty-five dots in the section "5." "BN" is represented by sixty-six dots in the section "19." "BO" is represented by sixty-seven dots in the section "12." "BP" is represented by sixty-eight dots in the section "10." "BQ" is represented by sixty-nine dots in the section "5." "BR" is represented by seventy dots in the section "19." "BS" is represented by seventy-one dots in the section "12." "BT" is represented by seventy-two dots in the section "10." "BU" is represented by seventy-three dots in the section "5." "BV" is represented by seventy-four dots in the section "19." "BW" is represented by seventy-five dots in the section "12." "BX" is represented by seventy-six dots in the section "10." "BY" is represented by seventy-seven dots in the section "5." "BZ" is represented by seventy-eight dots in the section "19." "CA" is represented by seventy-nine dots in the section "12." "CB" is represented by eighty dots in the section "10." "CC" is represented by eighty-one dots in the section "5." "CD" is represented by eighty-two dots in the section "19." "CE" is represented by eighty-three dots in the section "12." "CF" is represented by eighty-four dots in the section "10." "CG" is represented by eighty-five dots in the section "5." "CH" is represented by eighty-six dots in the section "19." "CI" is represented by eighty-seven dots in the section "12." "CJ" is represented by eighty-eight dots in the section "10." "CK" is represented by eighty-nine dots in the section "5." "CL" is represented by ninety dots in the section "19." "CM" is represented by ninety-one dots in the section "12." "CN" is represented by ninety-two dots in the section "10." "CO" is represented by ninety-three dots in the section "5." "CP" is represented by ninety-four dots in the section "19." "CQ" is represented by ninety-five dots in the section "12." "IY" is represented by two hundred fifty nine dots in the section "12." "IZ" is represented by two hundred sixty dots in the section "10." "JA" is represented by two hundred sixty one dots in the section "5." "JB" is represented by two hundred sixty two dots in the section "19." "JC" is represented by two hundred sixty three dots in the section "12." "JD" is represented by two hundred sixty four dots in the section "10." "JE" is represented by two hundred sixty five dots in the section "5." "JF" is represented by two hundred sixty six dots in the section "19." "JG" is represented by two hundred sixty seven dots in the section "12." "JH" is represented by two hundred sixty eight dots in the section "10." "JI" is represented by two hundred sixty nine dots in the section "5." "JJ" is represented by two hundred seventy dots in the section "19." "JJ" is represented by two hundred seventy one dots in the section "12." "JK" is represented by two hundred seventy two dots in the section "10." "JL" is represented by two hundred seventy three dots in the section "5." "JM" is represented by two hundred seventy four dots in the section "19." "JN" is represented by two hundred seventy five dots in the section "12." "JO" is represented by two hundred seventy six dots in the section "10." "JP" is represented by two hundred seventy seven dots in the section "5." "JQ" is represented by two hundred seventy eight dots in the section "19." "JR" is represented by two hundred seventy nine dots in the section "12." "JS" is represented by two hundred eighty dots in the section "10." "JT" is represented by two hundred eighty one dots in the section "5." "JU" is represented by two hundred eighty two dots in the section "19." "JV" is represented by two hundred eighty three dots in the section "12." "JW" is represented by two hundred eighty four dots in the section "10." "JX" is represented by two hundred eighty five dots in the section "5." "JY" is represented by two hundred eighty six dots in the section "19." "JZ" is represented by two hundred eighty seven dots in the section "12." "KA" is represented by two hundred eighty eight dots in the section "10." "KB" is represented by two hundred eighty nine dots in the section "5." "KC" is represented by two hundred ninety dots in the section "19." "KD" is represented by two hundred ninety one dots in the section "12." "KE" is represented by two hundred ninety two dots in the section "10." "KF" is represented by two hundred ninety three dots in the section "5." "KG" is represented by two hundred ninety four dots in the section "19." "KH" is represented by two hundred ninety five dots in the section "12." "KI" is represented by two hundred ninety six dots in the section "10." "KJ" is represented by two hundred ninety seven dots in the section "5." "KK" is represented by two hundred ninety eight dots in the section "19." "KL" is represented by two hundred ninety nine dots in the section "12." "KM" is represented by two hundred dots in the section "10." "KN" is represented by two hundred one dots in the section "5." "KO" is represented by two hundred two dots in the section "19." "KP" is represented by two hundred three dots in the section "12." "KQ" is represented by two hundred four dots in the section "10." "KR" is represented by two hundred five dots in the section "5." "KS" is represented by two hundred six dots in the section "19." "KT" is represented by two hundred seven dots in the section "12." "KU" is represented by two hundred eight dots in the section "10." "KV" is represented by two hundred nine dots in the section "5." "KW" is represented by two hundred ten dots in the section "19." "KX" is represented by two hundred eleven dots in the section "12." "KY" is represented by two hundred twelve dots in the section "10." "KZ" is represented by two hundred thirteen dots in the section "5." "LA" is represented by two hundred fourteen dots in the section "19." "LB" is represented by two hundred fifteen dots in the section "12." "LC" is represented by two hundred sixteen dots in the section "10." "LD" is represented by two hundred seventeen dots in the section "5." "LE" is represented by two hundred eighteen dots in the section "19." "LF" is represented by two hundred nineteen dots in the section "12." "LG" is represented by two hundred twenty dots in the section "10." "LH" is represented by two hundred twenty one dots in the section "5." "LI" is represented by two hundred twenty two dots in the section "19." "LJ" is represented by two hundred twenty three dots in the section "12." "LK" is represented by two hundred twenty four dots in the section "10." "LL" is represented by two hundred twenty five dots in the section "5." "LM" is represented by two hundred twenty six dots in the section "19." "LN" is
