Carry Your Patriotism
Into Your Buying!

For ten years we have been talking patriotism—
urging Canadians to buy the Canadian-made Gillette Safety
Razor in preference to cheap German makeshifts.

The war has clinched our arguments.

So confident are we of the future of the only safety razor
made throughout in Canada, that we are bringing out within a
few weeks a New Model the

GILLETTE
"BULLDOG"

It's British to the hilt, and looks the part. The price
stands at \$5.00—no increase over the Standard Gillette Set.
Watch for the Gillette "Bulldog" ["what we have we'll hold"]
in the shop windows—you'll like it.

The war has not checked Gillette progress. Our factory
is running full time, with complete staff. Thus we are doing
our part toward maintaining Canada's prosperity. Do yours
by buying, in preference, goods

DON'T BE AFRAID TO SAY NO
(Quoted from Pictorial Review, Octo-
ber, 1914)

The young man or woman new in the
world of business, faces an ever increas-
ing number of problems. Most of these
come in the form of what might be
termed financial temptation. In the av-
erage business concern, salaries are not
made public. One man can only guess
shrewdly at what the other man is earn-
ing. False pride often makes the new-
comer hide the smallness of the salary
he is receiving. Certain of his fellow
workers know this weakness and play
upon it. They cleverly insinuate that he
is drawing a pretty big salary for a
young fellow, that he ought to buy cig-
ars or take up the lunch check or treat.
And he lacks the courage to say "No,
he can't afford it."

They come around with a subscription
paper—generally a self-seeking individ-
ual—hints that the boss will see the pa-
per, and no one wants the reputation of
being a tightwad. So the young work-
er, who could not afford more than a
quarter, gives a dollar, and is immedi-
ately stamped an easy mark.

It is mighty hard to deny the insinua-
tion—the flattery that you have money
to spend, in an age when success is
glittering of golden calves set up on
the highest of pedestals.

Then to every young man of small in-
come there is the girl question. There is
the girl downtown working at a job
below, who, somehow or other makes it
seem almost discourteous not to pay her
fare. Or she leaves her lunch check
