The voice of St. John's citizens, assembled in a great mass meeting at the Nickel Theatre last evening, was raised in protest against the use of the I. C. R. as a lever to divert four of the direct mail ships from this port.

The net result of the meeting was to make a ringing demand for a square deal from the Borden government and the C. P. R., and all who saw the size and realized the temper of the assemblage felt that the city is fully aroused and means business. Any hesitation on the part of the powers-that-be to give full justice to this the Winter Port of Canada, it was made evident last night, will be met by a rebuke long to be remembered in this country.

The resolutions passed by the meeting (and no one present could avoid the knowledge that the crowd thought the resolutions ought to have more powder in them) demanded two things principally:

First, that the Minister of Railways withhold his approval from the Gutelius agreement until impartial traffic experts decide whether or not it is discriminatory and that he absolutely refuse to sign if they find it is;

Second, that the government be urged to let contracts at once, to separate tenderers, for the construction of ten additional steamship berths on the West Side and push them as rapidly as possible to completion.

But these resolutions do not fully reflect the indignation of the meeting over the Gutelius-C. P. R. deal and its determination to get justice for this port no matter who is hit in the struggle. Beyond question the feeling of the citizens, as shown last night, is that the government is on trial, that Premier Borden and Mr. Hazen are on trial—and that the verdict will be recorded later on—after St. John has seen what these gentlemen are going to do.

Here follow a few brief but significant extracts from the speeches:

Some Hot Shots.

D. F. Pidgeon—First and foremost the fight is with the government of Canada.

Mayor Frink—"By grace of the I. C. R."—It seems to me there is a whole sermon in those words.

D. F. Pidgeon—An iniquitous arrangement.

H. A. Powell—We will force the government into the fight.

Mayor Frink—I am surprised that a man in the employ of the I. C. A communication from No. 2 Salvage Corps informing the council that William J. Morrisey had been appointed a member of the corps at the last meeting, was received. The council endorsed the appointment.

Mayor Frink reported that, in accordance with a suggestion of the commissioner of public safety, he would have ladders placed on the wharves not only on the west side, but on the east side also, for the purpose of giving aid to persons in danger of drowning. is slightly laxative, which helps end a cough.

This recipe makes more and better cough syrup than you could buy ready made for \$2.50. It keeps perfectly and tastes pleasantly.

Pinex is the most valuable concentrated compound of Norway white pine extract, and is rich in guaiacol and all the natural pine elements, which are so healing to the membranes. Other preparations will not work in this formula.

This plan of making cough syrup with Pinex and sugar syrup (or strained honey) has proven so popular throughout the United States and Canada that it is often imitated. But the old, successful formula has never been equaled.

A guaranty of absolute satisfaction or money promptly refunded, goes with this recipe. Your druggist has Pinex or will get it for you. If not send to The Pinex Co., Toronto, Ont

# "What Neilson thinks to-day—"

### THEY have a saying in Lancashire: I "What Lancashire thinks to-day, England thinks to-morrow."

Sounds somewhat conceited, perhaps, but history has given some justification to the statement that the rest of the country follows Lancashire's lead.

"What Neilson thinks to-day, the candy world will think to-morrow," just about sums up the situation in the world of chocolate-making.

There had been package chocolates before Neilson's made them, but the Neilson quality set a new standard and started a new pace in the production of high class chocolates.

WHEN the Neilson package—the simple white box with rich gold embossing and the grey ribbon-made its first apthere was a rush by the chocolate manufacturers to emulate it. Then when Neilson began producing some wonderful new inventions, they, too, were copied. And to-day, whenever the

Neilson experts invent a new confection, a copy some months afterwards. This general following of the Neilson standard is, of course, good for the public, that an imitation is at best but a copy of the real thing, and that Neilson's are the "Chocolates that are Different."

Injury to Foot Healed. Poisoned Sore Cured. Obstinate Skin Rash Ended.

r. Reuben Atherton, of 367 Ferguson ve., Hamilton, says: — While emoyed with the Otis Elevator Oc. heavy plank fell and severely orushed y big toe and right foot. The nail had be removed from the toe when the door came to dress the injured memberate flesh was terribly bruised, turned ry black, and the foot and 1 g became noh swollen and painful. I was laid off risk for same eight weeks. The ster attended regularly at first, but a wounds did not heal. At last I heard Eam. Buk and began using this einstant. It really seemed to act like gio, cleaning all unhealthy matter m the wounds, and drawing out all coleration, inflammation and soreness.

Mrs. D. S. Green, of Kingston, Ont., writes:—My daughter Hazel sustained a poisoned wound on her heel. She had chilblains and when the skin broke some poison got into the wound and made a terrible place. It was painful, much swollen, and made her almost unable to move about. For a long time she could not bear to put a shoe on. I tried several things, but there was no trace of improvement. At last a lady friend recommended Zam-Buk. I left off the ordinary salves and applied I left off the ordinary salves and applied this herbal balm to her heel. In a few days Zam-Buk had cleansed and healed the sore so well that she was able to put on her shoe, and a few days later the wound was bealed and Hazel was back at school. I shall always keep Zam-Buk handy in future.

Mrs. H. Burdett, of 198 Simcoe St. East-Hamilton, says:—" I was cured by Zam, Buk of an obstinate skin rash which had defied all previous remedies. This erup-tion broke out on my face in the form of red pimples and blotches. Various reme-dies one after another were tried, yet nothing permanently removed this erup-tion until I used Zam-Buk. After each application of this herbal ointment my application of this herbal cintment my skin became clearer, and in a week my face was as smooth and white as before the rash broke out, thanks to Zam-Buk. Since then our home is never without it.

For all skin fajuries & diseases Zam-Buk is beet. All druggists and stores 50c a box or post free for price from Zam-Buk Co., Toronto, and receive free trial box. Mention paper.
