INTEREST PAYABLE MAY lst AND NOVEMBER 1st.

REDEEMABLE AT 105 PER CENT.

The Company finds it impossible to take care of its orders with their present equipment and the money from the sale of their bonds (\$150,000) will allow for betterments and extension of plant. The Company earned in 1911 over three times the Bond Interest and amount required for Sinking Fund each year. Their net earnings for the first five months of 1912 show an increase of 25 per cent. over the earnings of the same period of 1911. We recommend these bonds as a high-grade investment.

PRICE 100 PER CENT AND INTEREST.
