## ADVENTURES OF THE TWINS

By Olive Roberts Barton

### THE FIDDLING FIDDLE.

The Twins reached up and tugged at the big strings. "Tuppence apiece!" cried the jolly fiddler at the fair. "Tuppence apiece, or three for a fenny bit, to get in and hear the Fiddling Fiddle from Fairyland."

And all the Beanstalk people followed him in wonder, carefully counting out their pennies that they might hear the wonderful fiddle that could play by itself.

"It's like all the other strange things that have happened in Beanstalk Land lately," said an old lady with a wag of her head. "Like the boots that walked alone, and the queer way Johnny Stout's mother's clock acted." And she passed in with all the others, for the ticket-man said the fiddler was welcome to his tent.

When the tent was as full of Beanstalk people as it could hold (and the fiddler's pockets as full of money as they could hold), it was time to begin. Nancy and Nick, away down inside of the hollow fiddle, could hear everything that was going on, but they kept well out of sight, you may be sure.

"Fairyland Fiddle, please quickly obey—And show the good people how well

playing a merry tune with his bow. Pretty soon they met a beggar. "I have so much and he has so little, I'll divide again," said the jolly fiddler. So he gave the beggar all the tuppence pieces in one pocket. Then he went on. By and by they met a cripple. "I have so much and he has so little, I'll divide again," said the jolly fiddler. So he gave him all in the other pocket. Next he met a chimney-sweep. "Poor soul, he looks so poor," said the fiddler. "I'll divide." And he gave him all he had left.

Then he set the Twins gently on the ground and said goodbye.

(To be continued.)

**\$295,496 IN PLEDGES AND \$130,590 CASH**

### Additional Subscriptions to Protestant Orphanage Fund Announced

The total of money pledged for the New Brunswick Protestant Orphanage building fund campaign now stands at \$295,496.51. The cash received to date by H. Usher Miller, treasurer of the fund, is \$130,590.23. There are odds and ends of subscriptions to come in from every county. Kent county, part of Sunbury county, the parish of Coverdale, in Albert county, and some other districts have made a canvass and have not yet reported the results. Madawaska and Restigouche counties are the only counties which have no effort on behalf of the fund.

### ADDRESSES SERMON TO THE YOUNG MEN

The sermon in St. Andrew's church last night was specially addressed to the young men and Rev. J. S. Bonnell, the minister, took for his subject, "A tragedy drama of life." He told the life story of the young man Absalom, relating how he had erected in the King's Dale a beautiful monument to be a memorial of his life after he had gone and had inscribed on its base his own name. Absalom had failed to recognize the character as the one great essential of life and through a series of tragic blunders his life had ended in the woods of Ephraim where he was buried in a deep pit with a great pile of stones heaped over his body. The heap of stones under which his body rested, Mr. Bonnell said, was the truest memorial of Absalom's life and if an epitaph were written for the monument in the King's Dale it should consist of these words: "Of all sad words of tongue or pen, the saddest are, 'It might have been.'"

### HOST AT SMOKER.

A. B. Burns, 280 Prince street, West St. John, held an enjoyable stag party at his residence on Saturday evening. Smoking and cards were enjoyed and delicious refreshments served.

## THE OLD HOME TOWN

By STANLEY

DURING THE WINDSTORM TODAY DOC PILLSBURY AND ED WURLER EXCHANGED HATS ON MAIN STREET

### TWO LIGHT SYSTEMS OUT OF COMMISSION

Both street lighting systems in St. John were partly out of commission for a few hours during the week-end. A civic hydro transformer was burned out in King street Saturday evening and as a result a whole block of stores with hydro installed were in darkness for several hours. About 4 o'clock Sunday morning a broken wire was responsible for the failure of street illumination in Wall, Winter, Spring, Summer and Autumn streets and part of Rockland road. This street illumination is furnished by the New Brunswick Power Co. Both cases of damage were repaired by yesterday.

The civic hydro transformer, fastened to a pole on the corner of King and Germain streets, burned out shortly after 8 o'clock, with the result that all the commercial lights in that district became extinguished. The district affected was the block bounded by King, Charlotte, Princess and Germain streets.

### ST. JOHN MAN, PROMOTED.

Arthur Pinnamore, of this city, has been promoted to the post of district inspector on plant disease in the Federal Department of Agriculture. He had been local investigator.

### ENGINEER AUXILIARY MEETS.

McKenna Division, No. 397, of the Grand International Auxiliary of the Brotherhood of Locomotive Engineers met in the Orange Hall, Fairville, Thursday evening. Mrs. C. I. Parlee, president, was in the chair. Mrs. Norman Sinclair, grand organizer from Moncton, was present and gave in-

structions on the work of the division. Plans were made for a pantry sale and social to be held on their next meeting night, when the C. P. R. and the C. N. R. engineers and their wives will be the guests of McKenna Division.

There are about 5,000 different languages spoken in the world.

## Your Health

BY DR. CLIFFORD C. ROBINSON

### SPRING MEDICINE.

It is said the greatest American pastime is running to catch a train; and the most futile indoor pastime is taking tonics and spring medicine for the purpose of building up the blood.

Just why this special campaign for dosing the system with so-called blood purifiers should occur in the spring, has never been clearly explained. It may be that some more iron is needed in the blood in spring, as many people are apt to use an ill-balanced diet for a large part of the winter. The vegetables and fruits, which are the most important sources of iron, in our food-stuffs, are often neglected to a most alarming extent, and, of course, the bodily health suffers.

Neglect to continue the use of green vegetables and fresh, juicy fruits, with their life-giving iron and salty compounds, causes a certain sluggishness in the blood formation. Spring medicine is not the remedy.

The appetite must be wooed and won into natural and wholesome paths by proper, nourishing food that will give more iron and renewed "pep" than pine buds, wintergreen, and boneset taken as a "blood tonic."

There is no question whatever of the superiority of natural foods over any kind of spring medicine or iron compounds, in furnishing elements for body building and repair. The proper vitamins will be found in fresh milk, eggs, fruit and vegetables. Don't neglect the vegetable oil on your salads. They furnish a most life-giving element.

Get green stuff to get back your normal iron supply. The amount of iron for reserve, that is found in varying amounts in the liver, spleen and bone marrow must also be renewed and maintained for a healthy, normal body in spring time.

## ST. JOHN POLICE

### WIN IN FIRST AID

### Capture Provincial Trophy—Now Eligible for All-Canada Competition

That the St. John police team had won the provincial trophy in the first aid competition of the St. John Ambulance Association, was announced yesterday. Three teams of five men each from the St. John police, the C. P. R. employees of McAdam Junction, and the permanent force men of St. John were entered in the provincial competition. Dr. G. G. Corbett was the examining doctor.

The police team is now eligible to enter the Montserrat (championship) trophy competition as well as the Eastern division. Lord Shaughnessy police trophy competition in which the St. John police were the runners up last year when the Mounted Police of Ottawa captured the trophy.

The members of the winning team are Sgt. Stephen E. Spinney and Police Constables Percy E. Gault, Robert E. Storey, James Corner and Harry B. Young.

Col. C. A. Hodgett, C. M. G., M. D., director-general of the Canadian branch of the St. John Ambulance Association, of which Dr. Murray MacLaren, C. M. G., M. P., is the newly elected president, arrived in the city yesterday to conduct further examinations of local first aid teams.

Another Examination for Police.

This afternoon Colonel Hodgett will examine the police team as entrants in the Lord Shaughnessy trophy.

Eastern division, the competition in which they won second last year. The winners of the Eastern division

and the winners of the Western division Shaughnessy trophies this year will be rivals for a new championship trophy, to be awarded the team making the highest number of marks in the divisional examinations.

This evening Colonel Hodgett will examine the ladies' team in St. John, which has entered for the Lady Drummond cup, a Dominion competition award. The team consists of Mrs. Herman Campbell, captain, and the Misses Kathleen McGovern, Eileen Morrison, Violet Taylor and Irene Barber. This team has been practicing at the St. John Health Centre. The examination will be held there this evening.

Tomorrow morning Colonel Hodgett will conduct another examination of the St. John police team for the Montserrat (championship) trophy, in which the provincial championship winning teams compete for the all-Canadian championship.

### C. G. I. T. GROUPS MEET.

The senior and intermediate groups of the C. G. I. T. of Carmarthen Street Methodist church held a social time in the school room on Saturday. The afternoon was spent in games and a dainty supper was served. Following the supper a hearty singing was enjoyed. Miss Marjorie Turner, Maritime girls' work secretary, gave an interesting talk on "Responsibility." Later in the evening Miss Trotter led the girls in games which were much enjoyed. Miss Ethel Brindle and Miss Estelle Earle are leaders of the groups.

### TAKES MEETING AS THEME.

In St. Luke's church last night, Rev. R. P. McKim, the rector, gave the first of a series of sermons on "Some personal interviews with Jesus." He took the incident of Christ's meeting with Andrew and John, the two young business men, as the theme for his address. There was a large congregation and Mr. McKim's sermon was a most impressive. The choir sang an anthem and the men's sextette, a special number. The sextette are Willard A. Smith, E. C. McLean, George Butlin, Harry Marley, Melvin Parke and Jules Stevenson.

### That "Kruschen" Feeling!

## As Young as the Youngest

In spite of his sixty-odd summers, this tiny dose every morning keeps him in the pink of condition, strong, joyous and healthy, bubbling over with vigour, enjoying to the full every moment of his life. Kruschen is a combination of six salts, which, if you were leading a healthy open-air life, with no worry and plenty of exercise, your body would extract for itself from the food you eat. It is these salts that keep the liver and kidneys active, the system clean and healthy. Regular, easy, and complete elimination of waste matter brings in its train pure new blood, a clearer eye, a springier step, a saner, more optimistic frame of mind; and these are the gifts that Kruschen brings you in abundance—for next to nothing.

If, grandpa, at 60, can feel fine for half a cent a day, what about you?

It is the healthy Kruschen habit that he acquired years ago, and has always kept up. Every morning, in his breakfast cup of coffee or tea, he takes a pinch of Kruschen Salts—as much as will cover a 10 cent piece. It is tasteless, but by taking this tiny dose every morning he keeps himself in the pink of condition, strong, joyous and healthy, bubbling over with vigour, enjoying to the full every moment of his life.

**Kruschen Salts**

Tasteless in Coffee or Tea

Put as much in your breakfast cup as will lie on a 10 cent piece. It's the little daily dose that does it.

### Good Health for Half a Cent a Day

The dose to cover a 10 cent piece every morning is found in practice just the right amount for a most invigorating daily tonic.

ECONOMY.—A bottle of Kruschen Salts lasts several months. Health and good spirits for half a cent a day. Get a 75c bottle at your druggist's to-day, and start to-morrow.

SOLE IMPORTING AGENTS: CHARLES GYDE & SON, MONTREAL.
