Scrofula, or King's Evil,

is a constitutional disease, a corruption of the blood by which this fluid becomes vitiated, weak, and poor. Being in the circulation, it pervades the whole body, and may burst out in disease on any part of it. No organ is free from its attacks, none is there, one it will not destroy. Whether it burks in the system, transmitted by inheritance from a scrofulous parent, or with activity developes itself in the form of Ulcers, Tumors, Boils, Pimples, Blotches, Sores, Blains and Boils, Tumors, Tetter and Salt Rheum, Scald Head, Ringworm, Inflammation, Syphilitic and Mercurial Diseases, Debility, Dyspepsia, Debility, and, indeed, all Complaints arising from Vitiated or Impure Blood. The popular belief in "*impurity of the blood*" is founded in truth, for scrofula is a degeneration of the blood. The particular purpose and virtue of this Sarsaparilla is to purify and regenerate this vital fluid, without which sound health is impossible in contaminated constitutions.

Ayer's Cathartic Pills,

FOR ALL THE PURPOSES OF A FAMILY PHYSIC,

are so compounded that disease within the range of their action can rarely withstand or evade them. Their penetrating properties search, and cleanse, and invigorate every portion of the human organism, restoring its diseased action, and restoring its healthy vitalities. As a consequence of these properties, the invalid who is bowed down with pain or physical debility is astonished to find his health or strength restored by a remedy at once so simple and pleasing.

Not only do they cure the every-day complaints of every body, but also many formidable and dangerous diseases. The agent below named is pleased to furnish gratis my American Almanac, containing certificates of their cures and directions for their use in the following complaints: *Costiveness, Heartburn, Headache arising from disordered Stomach, Nausea, Indigestion, Pain in and Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Jaundice*, and other kindred complaints, arising from a low state of the body or obstruction of its functions.

Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease.

So wide is the field of its usefulness and so numerous are the cases of its cures, that almost every section of country abounds in persons publicly known, who have been restored from alarming and even desperate diseases of the lungs by its use. When once tried, its superiority over every other medicine of its kind is too apparent to escape observation, and when its virtues are known, the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs that are incident to our climate. While many inferior remedies thrust upon the community have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted they can never forget, and produced cures too numerous and too remarkable to be forgotten.

PERUVIAN SYRUP:

OR, PROTECTED

Solution of Protoxide of Iron,

Having successfully passed the ordeal to which new discoveries in the Materia Medica are subjected, must now be received as an established Medicine.

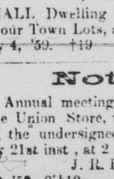
ITS EFFICACY IN CURING

DYSPEPSIA,

Affections of the Liver, Dropsy, Neuralgia, Bronchitis and Consumptive Tendencies, Disordered state of the Blood, Boils, Scurvy, the pernicious effects of Lead or Mercury, General Debility, and all Diseases which require a

TONIC AND ALTERATIVE MEDICINE

IS BEYOND QUESTION.



THE proofs of its efficacy are so numerous as well authenticated, and of such peculiar character that sufferers cannot reasonably hesitate to receive the proffered aid.

The Peruvian Syrup does not profess to be a sure cure all, but its range is extensive, because many diseases, apparently unlike, are intimately related, and proceeding from one cause, may be cured by one remedy.

The class of diseases for which the syrup provides a cure, is precisely that which has so often baffled the highest order of medical skill. The facts on register, the witnesses are accessible, and the safety and efficacy of the Syrup is demonstrable.

Pamphlets, with certificates from disinterested persons residing in the vicinity of the Syrup, cannot fail to be satisfied with their coincidence, stronger testimonials in the hands of the Agents. The gentlemen are those of position and standing in the community, some of the highest respectability.

CARD.

The undersigned having experienced the beneficial effects of the "Peruvian Syrup," do not hesitate to add to the attestation of the public.

From our own experience, as well as from the testimony of others, whose judgments we implicitly rely upon, we have no doubt of its efficacy in cases of Scrofula, Diseases of the Kidneys, Dropsy, Liver Complaint, Dyspepsia, Debility, &c. Indeed its effects would be incredible, but were the high character of those who have witnessed them, not to be questioned. Their testimony is record on, to its genuine extent.

CERTIFICATE OF DR. HAYES.

I have known that the medicinal effects of Protoxide of Iron is but to restore it to its deficiency to vital fluid; and that a solution of Protoxide of Iron, without fracture oxidation, has been deemed impossible.

In the Peruvian Syrup this desirable point is attained by combining with the Protoxide of Iron a solution which prevents its oxidation, and this solution may be used in the preparation of other medicines. A. A. HAYES, M.D.

The Great European Remedy.

Protected by Royal Letters Patent of England and Belgium, and by the Great Continental Congress.

DR. DE ROOS' GUTTÆ VITÆ; or LIFE DROPS, are the great remedy for Spermatorrhœa, Exhaustion, Nervousness, Debility, Aversion to and Incapacity for Society, Study or Business, Shaking of the Hands and Limbs, Indigestion, Flatulence, Shortness of Breath, Asthma, Consumptive Habits, Dimness of Sight, Dizziness, Pains in the Head, Eruptions, Sore Throat, Pains in the Bones, and all those diseases for which mercury, sarsaparilla, &c. are too often employed, to the utter destruction of health. Their almost marvellous power must be felt to be believed. Hundreds of apparently hopeless cases have been cured, and thousands almost miraculously relieved, when every thing else had failed; and they must sooner or later supersede all these questionable remedies which have hitherto been the sole reliance of English medical men.

Price 11s, and four times the quantity at 33s per bottle, of the Agents below. The £5 packages containing twelve 11s quantities, (by which £1 12s. are saved,) will be sent from the Establishment only, on receipt of the amount per draft on a London house or otherwise.

CAUTION.—Sufferers must guard against the recommendation of spurious or other medicines by unprincipled vendors, who thereby obtain a larger profit. The words "WALTER DE ROOS, LONDON," are printed in White letters on the Stamp affixed to the above, by order of HER MAJESTY'S HONOURABLE MISSION, to protect the public against fraud as where none can be genuine, and to immitate which is felony.

A new, speedy, and most successful Treating Spermatorrhœa, Nervous Debility and all Urino-Genital Diseases.

Seventy Engravings. Price 1s. through the post office, sellers, or post free from the Author for post stamps.

THE MEDICAL ADVISER on decay both mental and physical, arising from excesses, infection, climate, &c.; remarks on the use of the Microscope, and the devices of certain quacks to alarm the too sensitive invalid. Observations on Marriage, the prevention and removal of certain disqualifications; rules for self-treatment, &c. By WALTER DE ROOS, A. B., of the Ecole de Medecine, Paris; Member of the Royal College of Surgeons, London recentiate in Midwifery, &c. &c. &c., 10, Berners-street, Oxford-street, London. Hours for personal consultation daily from 1 till 4, Sunday excepted.

Sold in Dublin by Berry, 162, Great Britain street; Edinburgh, Robinson, 11, Greenside-place, Glasgow, Love, Bookseller, and by all the Agents.

From long practical observation of the treatment pursued in the various Institutions of London and Paris for those diseases referred to in the above work, the Author has had somewhat unusual facilities for acquiring that accuracy of diagnosis, and uniform success, which have characterised his practice for so many years in this country, in which the amentable neglecting of these diseases by medical men generally, and their futile attempts to cure by mercury, copaiba, sarsaparilla, &c. have produced most distressing results. Lasting benefit in such cases can only be REASONABLY expected at the hands of the legally-qualified medical man who devotes his chief attention to their removal: and to him only who can SHOW HIS POSSESSION of the necessary qualifications, can confidence be SAFELY extended. Dr. De R. refers with pride to the numbers he has been instrumental in restoring to health and happiness; and to those who may be in need of such aid, he offers every assurance of speedy restoration.

PERSONS RESIDING ABROAD can be successfully treated by correspondence, on sending a full detail of their case, with a Bank note, or Bill on a London house for £5, in order to have a packet of medicines sufficient to meet the exigencies of the case, sent out by next mail; thus avoiding unnecessary loss of valuable time, and much suffering which might otherwise occur.

Pains in the Back, Gravel, Lumbago, Rheumatism, Gout, Disease of the Kidneys and Bladder, Stricture, &c.

DR. DE ROOS' COMPOUND RENAL PILLS are a well known safe and speedy remedy for the above dangerous complaints, Discharges, and Diseases of the Kidneys and Urinary Organs generally. Possessing tonic properties, they agree with the most delicate stomach, improve the health, and in three days effect a cure when copaiba, cubebs, and all such dangerous medicines have utterly failed.—2s. 9d., 4s. 6d., 11s. and 33s. per box, of the Agents below, or post free on receipt of the amount by Dr. DE ROOS, 10, Berners Street Oxford-st., London.

The superiority of these celebrated Pills over every thing of the kind is universally acknowledged, and the extraordinary demand for them without precedent

Many there are, who, from natural diffidence, or fear of discovery, would silently bear their afflictions rather than apply to those for whom they may reasonably expect relief. With the above Pills, the sufferer may without the knowledge of a second person, cure himself speedily, privately, and at the least possible expense.

Sold at Langley's Drug Store, Hollis-street Halifax, Nova-scotia; by Haszard, Charlottetown, Prince Edward Island; Ward, News Office, Sydney, Cape Breton; Ashton, Richardson & Co., Mount Road, Madras; Hulse & Nephew, Agra; Treacher & Co., Poonah and Kurachee; Smith & Co., Scinde; Dodsworth & Co., Clark, Romer & Co. and Gawin & Co.; Colombo and Candy; Lyman & Co., Montreal, Pestonjee & Co., 1, Military Square, Bombay; R.
