Furniture that is not pleasing to the eye is fit for nothing but a barn. Elegance is one thing and strength is another, but there is not the least reason in the world why the two should not go to other in furniture. To say that a thing is cheap does not necessarily make it cheap. To say that ur furniture is cheap scarcely does it justice. Take our \$25.50 Bedroom Outfit as an illustration, which is about one third less than you would have to pay for the same articles elsewhere. An equal- forcible illustration of cheapness is our \$40 Plush Parlor Suite.
