

That while the investigation of the Discipline Committee in the case of B. H. Lemon says that the charges of unprofessional conduct against him have been fully proven, yet in view of his complete submission and apology to this Council, and his promise to refrain from such conduct in future, the proceedings in his case be stayed until the next meeting of the Council.

(signed) L. LUTON, Chairman committee of the whole.

Adopted.

V. H. MOORE, President.

Dr. Day moved the Council into committee of the whole on the report of the Committee on Discipline on the following cases :

Nelson Washington, John McKeown, James Cook Bright.

Dr. Oliphant in the chair.

To the Council of the College of Physicians and Surgeons of Ontario.

Your committee appointed to enquire into the facts, beg leave to report as follows : Re Nelson Washington. For erasure from the Register as a member and registered practitioner of the College of Physicians and Surgeons of Ontario.

Your committee duly met after notice of the charges in the subject matter of the enquiry to be conducted had been given to the said Washington, who appeared personally and by counsel, on Thursday the 17th October, 1889, and Saturday the 19th October, 1889, when witnesses were examined, both in the support of the petition, and on behalf of said Washington ; and after hearing the evidence, which herewith accompanies this report, your committee arrived at the following conclusions : (a) As to the facts, that your committee find that the said Washington has been extensively advertising in newspapers published in the cities of Ottawa and Kingston as in the charge laid. (b) Your committee further find that the said Washington has been guilty of disgraceful conduct, in a professional respect, in his dealings with one Cochrane, of Kingston, to whom he gave a receipt in the following words : " This is to certify that Thomas Cochrane, of Kingston, is to be treated till cured for Catarrhal Bronchitis for the sum of \$25, receipt of which is hereby acknowledged. (Signed) Washington " Although the said Cochrane was to the knowledge of the said Washington in the last stages of consumption and beyond hope of cure.

Your committee further find that the said Washington has been guilty of disgraceful conduct in a professional respect, in his dealings with one Noble of Kingston, to whom he gave a receipt in the following words : " Received from Thomas Henry Noble, corner Block and Alfred streets, \$25 in full for Catarrhal Bronchitis treatment till cured.
