SI PERKINS is to appear in Masonic Hall, Chatham, on Monday evening, October 10th. The Middleton (Conn.) Press speaks of the performance as follows:-"Si Perkins is a country gem. His sayings are wonderfully Yankee. He represents a national character. The house last night was a rouser. The thing took. Laughter was as prevalent as apples this year. Some of the eatures are thoroughly improbable, but where Yankee witticisms come in, Wallace as Si, is irresistibly funny. The widow Betsy is a good character. The charm is in the sayings of Si Perkins and such sayings! They are the cream of the milk in Yankee life." A fine band is also one of the attractions of this Company.
