MONCTON HOCKEY. MONCTON, Feb. 27.—In the local hockey league games tonight the Orioles defeated the Trojans, 3 to 0. The Mohawks won from the Bankers, 7 to 0.

AT VICTORIA RINK. A large crowd of skaters attended the Monday night rink in Victoria rink, and between the fifth and sixth bands were treated to some splendid exhibitions of jumping by Wm. E. Quinn, champion professional high jumper of the world. Mr. Quinn arrived in the city late in the afternoon after an arduous journey, and was not in the best of shape. Nevertheless, his work stamps him as a wonder. Mr. Quinn's record for the high jump is 4 feet 10 1/2 inches. Last night he did 4 feet 5 inches with comparative ease, and will try to break his record this evening.

He turned handsprings on the ice; jumped over two barrels placed on the ice, turned as he alighted and jumped backwards over another pair placed a few yards in advance. This was a very clever trick and earned hearty applause. Mr. Quinn also took a flying leap over five barrels placed on end; he has frequently cleared seven of these in one of his flights. Another good example of his skill was shown

by his jumping over a barrel and through a stick he held in his hands. A half mile race was also skated by two local flyers, Wilson and Green. Wilson won by half a lap.

LADIES HOCKEY TONIGHT. Not one of the many hundreds of thousands of hockey matches played in St. John can compare in novel interest with that of this evening, when a strong and swift ladies' septette from the capital will array themselves against our ladies' team, which though not long organized has made for itself quite a reputation. The line up of the local team will be the same as in the previous game excepting that Miss Kitty Woods will replace Miss Brown at point. No season tickets will admit to tonight's game. The play will begin about eight-fifteen. Intending patrons would be wise in attending early and thus secure a good position.

CITIZEN'S LEAGUE NOW ORGANIZED.

Constitution Adopted at Last Night's Meeting.

Reform in the Method of Civic Elections Will Not be in the League's Platform

An enthusiastic meeting of the Citizens' League was held in the board of trade rooms last evening. A constitution was adopted and between thirty and forty signed the roll. The question of dividing the city into electoral districts was referred to the incoming executive committee to make a full report to the league not later than the announcement of the section of the league's candidates. W. H. Thorne occupied the chair and T. E. White acted as secretary. E. H. Chapman brought up the matter of dividing the city into electoral districts and said many people would like the matter settled at once. After some discussion it was decided to let the matter stand for the present and bring it up as one of the methods of the league under Article III. Article I, that the league be called the Citizens' League was adopted. Article II, was adopted in an amended form as follows: 'The object of the league shall be as follows, viz: 1, to study the conditions and needs of the city; 2, to shape public opinion upon all questions connected with the city government; 3, to educate the public conscience and bring it to bear upon existing evils and necessary changes in connection with civic affairs; 4, to keep St. John municipal affairs free from the influences of provincial and dominion politics; 5, to secure the nomination and election of capable and trustworthy citizens to the common council, and 6, to promote by all legitimate means the good order, welfare and prosperity of the city of St. John. Article III provides for certain methods by which the league may attain its end. E. H. Chapman moved in amendment that the city be divided into electoral districts. After some discussion Samuel Schofield moved in amendment to the effect that the league act as early a date as possible, and not later than the announcements of the selection of league's candidates for aldermen. After further discussion Mr. Schofield's amendment was adopted. Article IV, fixes the annual membership fee at \$1.00. Article V, provides that the president and vice-president be elected by nomination and ballot at the annual meeting.

THE MILK TRAIN WAS LATE. Perhaps one of the greatest inconveniences suffered by a large number of citizens in this city yesterday was that caused by the trouble on the I. C. R., which prevented the Sussex milk train from reaching St. John. All through the early hours of the day housewives wondered what would possibly have happened to the milkman, and in many cases it was not until late in the day that they found out that no milk from up the line had reached the city. This was due to the fact that the Sussex train was on the other side of a train at Quispamsis, which could neither go ahead nor back up. After considerable delay the track was cleared and about four o'clock in the afternoon the 'milk train' pulled into the depot—a single car attached to an overworked engine. Those who get their milk from farmers in the vicinity of the city or other nearby sources did not suffer, for their deliveries were made on time. The bakers who were dependent on the Sussex Milk Company were put to considerable trouble as a result of the delay.

THERE'S A REASON. A rainbow in the sky is a symbol of purity and perfection of color. That is why the name was chosen for Rainbow Cut Plug Smoking Tobacco, which is a pure and perfect smoke for the pipe.

SUGAR MARKET. Advice received here yesterday from New York markets were to the effect that raw sugars were firmer. The sale of March shipments from Cuba of centrifugals at 3-16 is 1-16 in advance of previous sales. Holders are asking higher prices. Beet sugar in London is selling for 15s. 6d. 3 far per 100 pounds, which is a slight advance. In New York the demand for refined sugar is good, the tone of the market is stronger and generally improving.

Mrs. Frederick McCurdy, of St. Andrew's, died at her home there last Sunday.

CHICAGO, Ill., Feb. 27.—A suicide in the balcony of a crowded theatre was the method of death chosen by an unidentified man, about twenty-two years old, who shot and killed himself at the Chicago Opera House this afternoon during a vaudeville performance. The young man shot himself in the head. Death was instantaneous and the body fell into the lap of a woman occupying an adjoining seat. She and several women fainting, but were quickly revived. When the sound of the shot was heard many women screamed and left their seats, but others soon quieted down. No one was allowed to leave the balcony. The orchestra struck up a lively tune and aided in averting a panic. The body was removed to the county morgue, nothing being found to indicate the identity of the suicide. THE MAN SHOT HIMSELF during the singing of a pathetic song, picturing scenes in a country farmhouse. He had listened attentively and had applauded. At the third encore he stood up, hesitated a moment and then, quickly drawing a revolver, shot himself dead.

George Washington Thomas, an able-bodied negro, of Sleepy Hollow, appeared before Magistrate Nussbaum charged with stealing chickens. The negro was accompanied by his lawyer, Colonel Simmons, a rising young white attorney. The old judge sauntered into the dingy court room where he had resigned for more than twenty years, and after calling for order he looked around on the little company there assembled. Seeing George Washington Thomas, he pointed to him and said: "Be you the defendant in this case?" Quick as a flash, George was on his feet, and, not understanding legal terms, he explained politely: "No, eah; no, sah; I ain't de 'fendant; dar's de 'fenant o'ah dar." And saying which he pointed to his lawyer. There was a general laugh about the room, in which the queer old judge joined heartily. The ducky felt abashed. He was visibly embarrassed, and, thinking to correct the mistake, if mistake it were, he said again, pointing at his lawyer, "Yes, sah; he's de 'fenant," and, pointing to himself, he said, "de de gen man what stole de chickens."—March Lippincott's.

Chief Clarke Needs Fifty Men to Patrol the City Properly—Safety Board Meeting.

At a meeting of the safety board yesterday it was decided to recommend that Director Wisely's salary be increased to \$1,200. There was some discussion over fire escapes at the Opera House and Cliffside House. It was suggested that a revolving fire escape be installed at the latter place. The hotel will also be looked after. Minnie H. Huyck petitioned the renewal of a lease on a property on Elliott row. A fourteen years' renewal lease from the date of expiry, 1887, was agreed to. A letter was read from A. P. Hazen asking if the city would be likely to establish public telephone stations on the principal streets so that policemen can get into communication with the central police office. The banks wished to know if they could make arrangements for the redemption of their property. This was afterwards referred to a committee appointed to deal with Chief Clarke's report. In regard to the Undertakers, through a letter to the board, expressed their satisfaction with the chemical engines. They wished to have a separate crew for the mechanicals, however, and that the engine should be taken direct to the fire and not to the nearest pump. This was passed by the board. Salvage Corps No. 1 reported to have elected the following new members: Harold Williams, E. C. Bowman and G. H. Tully. William H. McIntyre asked for an increase in salary from \$45 to \$60 per month. The application was filed. An alarm bell will be placed in the R. K. Y. Club rooms the club to pay the expense. The chief of police report was then taken up. He recommended the force be increased from 41 to 50 in order to carry out a system of patrol up to date in every respect. The recommendation was submitted to a committee consisting of Ald. Frink, Hamm, Tilley, Macrae and the chief of police. Chief Clarke also spoke of some friction between himself and Officer Darie, janitor of the central station. This matter was also submitted to the committee, who will hear both sides. Chief Kerr's report was left over until next meeting.
