> ST. PETERSBURG, Aug. 24.- In spite of the anxiety which is felt regarding the fate of Port Arthur, the war office and the admiralty were practically closed today on account of the christening of the royal infant, and no official despatches were given out. So far as can be ascertained, no further news of the progress of the fighting before the beleaguered fortress has been received, except that contained in reports from foreign sources. These latter are conflicting, some of them representing that the Japanese assault has become exhausted and others claiming that the Japanese have captured Etseshan fort, belonging to the western line of defences. If this position has been taken and occupied, it is realized that un-
