**THE GREATEST
Medical Discovery,
OF THE AGE.**

Dr. KENNEDY, of Roxbury, has discovered
in one of our common pasture weeds
a remedy that cures

EVERY KIND OF HUMOR
from the worst scurfy down to a common pimple
He has tried it in over eleven hundred cas-
es, and never failed except in two cases,
(both thunder humor.) He has won in his
possession over two hundred certificates of its
value, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing
sore mouth.
One to three bottles will cure the worst kind
of pimples on the face.
Two or three bottles will clear the system of
biles.
Two bottles are warranted to cure the worst
canker in the mouth and stomach.
Three to five bottles are warranted to cure
the worst case of erysipelas.
One to two bottles are warranted to cure all
humors in the eyes.
Two bottles are warranted to cure running
of the ears and blotches among the hair.
Four to six bottles are warranted to cure
corrupt and running ulcers.
One bottle will cure scaly eruptions on the
skin.
Two or three bottles are warranted to cure
the worst case of ringworm.
Two or three bottles are warranted to cure
the most protractose case of rheumatism.
Three or four bottles are warranted to cure
the salt rheum.
Five to eight bottles are warranted to cure
the worst case of scurfia.
A benefit is always experienced from the
first bottle and a perfect cure is warranted
when the above quantity is taken.

Reader, I have peddled over a thousand
bottles of this in the vicinity of Boston. I
know the effect of it in every case. So sure
will it extinguish fire, so sure will this
cure humor. I have never sold a bottle of it
but that sold another; after a trial it always
speaks for itself. There are two things about
this herb that appear to me surprising; first
that it grows in our pastures, in some places
quite plentiful, and yet its value has never
been known until I discovered it in 1841—
second, that it should cure all kinds of humor
In order to give some idea of the sudden rise
and great popularity of the discovery, I will
state that in April, 1853, I peddled it, and
about six bottles per day—in April, 1854, I
sold over one thousand bottles per day of it.

Some of the wholesale Druggists who have
been in business twenty and thirty years, say
that nothing in the annals of patent medicines
was ever like it. There is a universal praise
from all quarters.

In my own practice I always kept it strictly
for humors—but since its introduction, a
general family medicine, great and wonderful
virtues have been found in it that I never sus-
pected.

Several cases of epileptic fits—a disease
which was always considered incurable, have
been cured by a few bottles of this medicine,
of which it will prove effectual in all cases of that
awful malady—there are but few who have
seen more of it than I have.

I know of several cases of dropsy, all of them
aged people cured by it. For the various dis-
eases of the liver, Sick Headache, Dyspepsia,
Asthma, Fever and Ague, Pain in the Side,
Diseases of the Spine, and particularly in dis-
eases of the Kidneys, &c. the discovery has
done more good than any medicine ever known.
No change of Diet ever necessary. Eat the
best you can get, and enough of it.

DIRECTIONS FOR USE.—Adults one table
spoonful per day—Children from five to eight
years, tea spoonful. As no directions can be
applicable to all constitutions, take sufficient
to operate on the bowels twice a day.

NINETEENTH REPORT.**

THE Nineteenth Annual Meeting of the
Association was held within the Head
Office, on the 31st August, current, in terms of
the Charter and Act of Parliament—Sir
JAMES FORRESTER, Bart., of Comiston, in the
Chair.

The reports were submitted to the Meeting the
Annual Report by the Directors on the Pro-
gress of the business; the Report of the Auditor,
Mr. W. Wood, Accountant; and the Bal-
ance sheet, of the Accounts, certified in terms
of the Act of Parliament; with other state-
ments of the affairs, as at 5th April last, the
date of balance.

Notwithstanding the general depression of
commercial affairs, the progress of the Associa-
tion during the past year has been greater
than in any other year, with only one excep-
tion.

The applications for new
Life Assurances during
the year were 1247 for £666,483
Of which the Directors ac-
cepted 1007 for 559,344
The Annual premiums being 18,511
Annuities on 24 lives were purchased for
\$751, 10s. per annum at the price of 9487l. 7s.
The Policies that became claims on the
Association by deaths during the year amount-
ed to 57 for 48,065l.

The Total Assurances since the commence-
ment of the business amount to nearly five
million pounds.

The Annual income is now one hundred and
thirty-eight thousand pounds; upwards of £50,
000 being collected through the London Branch.

The Policy Holders entitle to participate
in the Profits, who completed their fifth year
before the date of balance, will be entitled to
a Reproduction of 35 per cent. (7s. per lb.) on
their next Annual premiums.

From the increasing wealth and importance
of British North America, as well as the ex-
ample of other Assurance Offices, the Direc-
tors have for some time entertained the idea
of establishing Branches there. They have
been enabled since last meeting to accomplish
this. A deputation from the Directors visited
the chief towns, and secured the co-operation
of influential gentlemen in each Province.

Although the Branches have been in opera-
tion only a few months, the transactions
have already been considerable, as well as of
a most satisfactory description. Special
thanks are due to the gentlemen acting as
Directors, Agents and Medical Officers, who
have already interested themselves much in
the Association's affairs, and through whose
exertions there is every prospect of permanent
success.

The Report by the Board of Directors was
unanimously approved. The vacancies in the
Board were then filled up; and after
special votes of thanks to the Directors at the
Head Office and Branches, and the Agents,
Medical Officers, Manager, &c., the meet-
ing separated.

Holloway's Ointment.

The free admissions of all nations, as well
as the verdict of the leading hospitals of the
Old as well as the New World, stamp this
powerful remedial Agent as the greatest he-
lping preparation ever made known to suffering
man. Its PENETRATIVE QUALITIES are more
than MARVELLOUS, through the external of-
fices of the skin, invisible to the naked eye, it
reaches the seat of the internal disease; and
in all external affections its anti-inflammatory
and healing virtues surpass anything else al-
ready used, and is Nature's great ally.

Erysipelas & Salt Rheum
Are two of the most common and virulent
diseases prevalent on this continent, to the
Ointment is especially antagonistic, in
"modus operandi" is first to eradicate the
venom and then complete the cure.

Bad Legs, Old Sores, & Ulcers.
Cases of many years standing, that have
pertinaciously refused to yield to any other
remedy or treatment, have invariably succumbed
to a few applications of this powerful ag-
ent.

Eruptions on the Skin,
Arising from a bad state of the blood or
chronic diseases are eradicated, and a clear
and transparent surface regained by the use
of this Ointment. It surmounts many of the
cosmetics and other toilet appliances which
power to dispel rashes and other disfigurements
of the face.

Piles and Fistula.
Every form and feature of this prevalent
and stubborn disorder is eradicated locally
and entirely by the use of this ointment; warts
fomentation should precede its application. Its
healing qualities will be found to be thorough
and invariable.

**Both the Ointment and Pills should be used
in the following cases:**

Bunions,	Skin Diseases,
Swelled Glands,	Swelled Glands,
Chapped Hands,	Sore Legs,
Chilblains,	Sore Breasts,
Fistula,	Sore Heads,
