the house, an' what would become of father without a home !" She went to the table-drawer, and great-ly agitated, took from it a dark red table-cloth. She held it for a moment irres-clutely in her hands, and then replaced it in the drawer. "There's no need fixin' up any, father isn't comin'!" "Father ! father ! Do you hear ?" One could easily detect a trace of anxiety in the almost pleading voice. The robins, this fresh spring morning, in the apple-trees across the road, wate madly caroling after their long winter absence. a glad "sweet home." Agen-Mrs. Whipple halted in the narrow path crookedly leading to the well-stocked barn.

"Lord, save-father!" was her broken prayer. She hustened to the stairway door, and after calling the sick woman's husband, she hurried out into the street. She felt sick and faint ! "The envelope, that's safe !" and she re-assured herseli by feeling the precious con-tents of the little hand-bag. The light from the fire was already growing dim. "Only-aste-father !" was her hardly audible appeal, as she stumbled along in the dark. When she reached the top of the hill she HAS AN ANNUAL SALE OF 3.000 TONS.

## Nutritive Value of Canned Meats.

Nutrifive Value of Canned Meats.
Canned beef is of greater food value than fresh lamb, veal or mutton, but not equivalent to the better cuts of fresh beef.
Maile superior to the round, shank, shuid-er, or chuck with shculder. Canned much betind the edible portion of that, and if compared with fresh salmon as pur-chased quite as valuele, the calories of the lattice being 925 against 890 for the fresh beef; decidedly better than fresh real, on a par with, in fact, ahead of the hards ag good as mutton. Deviled ham has bigh nutritive value and is better than fresh pork. Sardines must rank high as a nutritive article of diet. Canned fore.
