Toronto Telegram Angry With Farmers—Frederickton Gleaner on Opposition Leadership—The Ladies at the Polls.

Trust the People, Oh, Yes.
(Toronto Telegram.)

Trust the people was the battle-cry of the U.S.O.-Socialist-Labor alliance in its appeal to the province. If the U.S.O.-Socialist-Labor alliance had undertaken to trust the people with the name and address of its leader, the United Farmers and the Socialist-Labor party would not have carried twenty-five seats in the new Legislature.

Ontario never voted, and Ontario never would vote for a Drury Premier. It is the architects of that leadership that dared to trust the people as an alternative to a Healey Government.

Dr. Cody Decides Wisely.
(Farmers' Sun.)

The Minister of Education and St. Paul's has acted wisely in declaring that he would not accept the office of Minister of Education in the new Government, even if that post were offered him. The decision is a wise one, from a personal standpoint, because no such offer as that spoken of is likely to be made. Dr. Cody has shown wisdom from a public standpoint because it is not in the interest of the people that he should continue to serve as Minister of Education.

In the first place, Dr. Cody has the city and university point of view in educational matters. What Ontario requires at the head of the Education Department is a man who has a clear knowledge of the needs of rural as well as urban people, and whose chief interest will be in the ninety per cent. odd of our lads and girls who never reach the university, rather than of the few who do pass on to the highest seat of learning.

In the second place, Dr. Cody's purpose, more or less openly avowed, was to make the public schools of Ontario a means of imperialistic propaganda. These schools should be Canadian schools for the development of the Canadian idea, imperialism, as a Calgary paper recently well said, means war. Canadianism means peace and the well-being of humanity. It is well for Ontario that a change is being made before a militant cleric has had opportunity of repeating in Ontario as a whole the work that former Chief Inspector Hughes carried out in this city in the making of a lot of jingoes out of the young men and women whose early education was largely directed by him.

Hon. Jas. A. Murray Again Named Leader.
(Frederickton Gleaner.)

The Provincial Opposition Convention, held at St. John recently, again named Hon. Jas. A. Murray the party leader. The convention was a large gathering and admirably representative of the party throughout the province. It was also exceptionally enthusiastic. Mr. Murray was practically the unanimous choice of the party as represented at the convention, and had the election taken place earlier, before many of the delegates who were favorable to Mr. Murray were obliged to take the evening trains to get to their homes, the vote of the party's choice would have been much larger. The election of Mr. Murray by such a great vote of a thoroughly representative convention, is more than a personal triumph; it is more than a hearty party endorsement of his course; it is also an expression of confidence in his Lieutenants and followers in the Legislative Assembly. As at all other party conventions, there was naturally some criticism, but in this instance the criticism came only from a section of the St. John City representation, and was probably

"SYRUP OF FIGS"
CHILD'S LAXATIVE

Look at tongue! Remove poisons from stomach, liver and bowels.

Accept "California" Syrup of Figs only—look for the name California on the package, then you are sure your child is having the best and most harmless laxative or physic for the little stomach, liver and bowels. Children love its delicious fruity taste. Full directions for child's dose on each bottle. Give it without fear. Mother! You must say "California."

Inspired more by the personal ambition of those who took part than by regard for party or public welfare; and now that there can be no doubt as to the strong preference of the party generally, there will be less of disposition or inclination to continue an attitude not broadly based. In the election of Mr. Murray, in the hearty reception accorded, there is also the party endorsement of his Lieutenants who were condemned by the vicious report of a crude partisan commissioner appointed for mere political purposes. From a Party standpoint the convention was eminently successful.

A Safe Wager.
(Calgary Herald.)

Grain men and the farmers are agitated about the proposed lifting of the export embargo on wheat shipments and opinion is divided as to what effect such action would have on the price in the United States. It is a safe wager that should there be any considerable quantity of Canadian wheat pass over the border the United States price on the markets there would come down. American millers are not fools.

WHY RUN-DOWN PALE
EXHAUSTED WOMEN
SHOULD TAKE IRON

"There can be no beautiful, healthy, rosy-cheeked, steady-nerved woman without iron. When the iron goes from the blood of women, the roses go from their cheeks—their charms and attractiveness depart. I always insist that my patients take organic iron—Nuxated Iron—(not metallic iron which often corrodes stomach and does more harm than good). Nuxated Iron—(not metallic iron)—does not blacken nor irritate the teeth nor upset the stomach. It will increase the strength and vivacity of weak, nervous, irritable, careworn, haggard women in two weeks' time in many cases. I have used it in my own practice with most surprising results."—Ferdinand S. M.D., well-known New York Physician and medical author. (Satisfaction guaranteed or money refunded—Nuxated Iron sold at all good druggists.)

TION

WILL PURCHASE SHELLS
FOR CANADIAN CREWS

Toronto, Nov. 12.—At a meeting of the executive committee of the C. A. A. O. negotiations were commenced for the purchase of the necessary shell boats for the 1920 Olympic crews, and every endeavor is being made to secure these boats in England.

The committee were very optimistic as to the available material for the crews. These will probably be chosen at the 1920 Canadian Henley regatta. Joseph Wright, of Toronto, has been requested to act as coach for the crews and no man is better fitted to bring a crew together and into perfect condition than Mr. Wright. It is understood he will accept.

Columbus, Ohio, Nov. 12.—The Federal Prohibition Amendment was defeated by Ohio voters by the wet majority of 542, according to final official figures announced by the secretary of state.
