You are put in the way of taking orders from almost every man in your community; it is a business better than a store. You have no rent to pay, no losses to bear. You simply sell the goods and collect your profit.

For some years we have had special agents in several small towns of from 300 to 800 inhabitants, who have been very successful in taking orders and who have built up quite a substantial business for themselves.

We are now extending these special agencies and desire one good man to represent

us in every town in the maritime provinces. We will be glad to hear from any ambitious young man who desires to increase his income. His success at this might be the starting point of an eventful career. This

little experience may lead up to something more substantial. The outfit of samples consists of a very complete line of black worsteds and blue

serges and stripe trouserings that represent the product of the prominent English and Scotch weavers. We have already won an enviable reputation for producing special values in Blacks and Blues, and our present samples with which we propose to introduce our idea of value giving into new territory surpasses by far the efforts heretofore put forth.

Fill out the following blank spaces carefully, sign your name and send to us, and we will send the outfit of samples at once.

HAREM OPEN TO ALL:

Princess Nazli Breaks One of Mahomet's Strictest Rules

CAIRO, March 17-Although the east has gained greatly not only as regards proaching when the transformation will be more complete by the disappearance toms that have their poetry and beauty.

The harem has always been from remotest antiquity and is still sacred to women, no male, save the husband and master, ever entering i, and when the wives go out they are always veiled. Nowhere in the east is the influence of modern life making itself more felt than n Cairo, where the women are very elightly veiled, with a white gazze so thin as to leave their usually pretty features easily distinguishable and to enhance the brilliancy of their black eyes. But when one of the highest princesses of the blood determines to break the seclusion of her harem and throw it open for the redetermines to break the section of her harem and throw it open for the re-ception of her friends and invited guests. Egypt and the entire Orient may well pause to contemplate and admire with Europe the independence and foresight of a celebrated Mohammedan woman, who is willing to give the world and society the benefit of her eleverness and experience.

BLIND WITH ECZEMA

Three Children Afflicted 20 Months CURED BY CUTICURA.

My second child got eczema when seven months old. Three months later my first child got it, and following him, the last one, two years old. For twenty months they suffered fearful agony. Their whole bodies, especially their faces, were so sore and raw that they were blind half the time. No words can describe the suffering of my second child, whose whole body was one bloody mass. He was constantly crying, could get no sleep, and he actually did not look human. I tried doctor after doctor without the slightest relief. The first application of CUTICURA brought relief in each case, and after fourteen days' treatment with CUTICURA SOAP and CUTICURA (ointment), the worst case was cured.
