At Winnipeg, the Manitoba and Territively of the Manitoba and Territive of the Manitoba and torial governments are arranging for a committee of representative farmers from every district to meet the laborers and ongage the required number of men for ach section and the Canadian Pacific wil urnish free transportation from Wini peg to points on the main line as far as Moosejaw and to branch line points south west and northwest of Winnipeg in Man itoba and Assiniboia. Each laborer will be furnished with farm laborer's certificate, which, when filled out by the farmer with whom he works and presented to Caradian Pacific Ticket agent at that point at the close of the harvest season will entitle him to return ticket to starting point at \$18 any time prior to November 30, 1902. On this excursion 150 lbs. of baggage wearing apparel, will be checked free checket ticket. Half tickets will not be issue hildren, but tickets will be sold to we men as well as men as there is a very large demand for female help throughou

the entire west, especially at this seaso Special farm laborer's ticket will, of course, not be honored on the "Imperial L'mited." The business will probably be handed on passenger extra trains the en-tire distance. Tickets will be issued only thre distance. There is will be issued only via the main line going and returning.

Artisians and clerks, unless strong and accustenced to manual labor and able to work hard as farm laborers, are not wanted on the farm laborers excursions.
